John Martin's Will.

In the name of God, Amen. I John Martin being indisposed, though of sound mind, recalling to mind, the uncertainty of my life and praying the Creator to preserve my soul when my life is spent, and that he will protect my wife and children through life, I therefore (respecting my Estate) make this my last will and testament. I give & bequeath to my daughter Eliza Mary Martin the following Negro slaves under the condition hereafter expressed, to wit, Jerry, Patty and her six children, also Mary & her four or five children that are in the state of Mississippi, & said Negroes with their future increase to vest in my said daughter & the heirs of her body forever, also give to my daughter Martha D. Martin the Negroes Lanny & her six children, also, Betty & Mingo and his wife & her three children with all their future increase to vest in my said daughter Martha & the heirs of her body forever under the condition hereafter expressed. I also give & bequeath to my son Robert Martin & his heirs the Negroes, Mary Griffin, Janet Child and Eliza Child, little Sam, Daniel, Barnett, Henry, Candis & Dick with their future increase and to my son John Martin I bequeath I give to him & his heirs forever, the following Negroes, Betsey, Ann & her three children, Emeline & her children, little Jim, Alfred, Edmond, Jose & Mitchell, and all their future increase, And to my Daughter Rebecca Frances Martin, I give & bequeath the following Negroes, to wit, Peggy & her six children & their future increase to vest in my said daughter and the heirs of her body forever, under the condition hereafter written, & to my daughter Elizabeth Leora Griffin Martin I give and bequeath the following Negroes, to wit, Peter & Jane & her two children, & her future increase to vest in my said daughter Leora & the heirs of her body forever under the condition hereinafter written. My will is that soon after my death the negroes above given my two eldest daughters Eliza & Martha should be appraised, and when my two youngest daughters arrive of age or get married, their shares are to be made equal, by an appraisement then of the Negroes given my two youngest daughters, Leora & Leora, and as much money paid to them by my Executors as may make their Negro lot equal an average, to the lots of my two eldest daughters as appraised & that amount to vest in my said two youngest daughters under the same conditions as the negroes. And in case any of the Negroes die or bequeathed to my four daughters, before such daughters arrive of age or get married, I wish my Executors to pay through daughter money or negroes to make the share as equal as practicable, and the negroes and their heirs forfeited, and for my four daughters is on this condition that the same is to vest for the appraised

John Martin's Will continued,  
 benefit of my daughters and the heirs of their bodies only, and that I will that the  
 of each daughters share to vest for such their use & use trust to their uncle George  
 Walker as trustee, to control said negroes and increase & shares to their separate  
 use, respectively, and not to be taken or sold for the debt or misfortune of any hus-  
 band my said daughters may ever intermarry with, and should such trustee  
 die or fail to act, then my two sons are to act as trustees for their sisters, for the  
 same purpose, and should they die or fail to act, then the said property to vest in  
 such a trustee as the Superior Court may appoint on application of my Executors or  
 any friend of mine. And to my beloved wife Eliza Julia Martin, I give the follow-  
 ing negroes, Harriet Ann, Elly, Solomon & Charles and their future increase, also  
 negroes Harry & his wife Phoebe & her son Sampson & increase, my lands in Cherokee  
 & other Counties in upper part of this state all to be sold by my Executors on a cre-  
 dit to the best advantage. And I wish them to dispose of my house & lots in Macon  
 & the lands on Walnut Creek, to settle at discretion with the State Bank, if not recovered  
 them after two years the same to be sold and a suitable place in lieu thereof to be pur-  
 chased by my Executors for my wife & children to be comfortably situated, one where  
 the others out of Macon, and my plantation in Houston County with all the prop-  
 erty on it to be kept together for the use of my wife & children and the profits thereof to be  
 laid out in negroes & put on the same place until the youngest child gets married or of age,  
 then the land there to vest in my two sons, and the rest of the property, then as well  
 as all my other property real & personal to be equally divided among my wife and  
 children provided she is not married to any other person, if she is, then to be divid-  
 ed amongst my children equally, the girls portions always to vest in their trustees  
 as before pointed out & on the same condition & purposes. My negroes Patterson, Har-  
 riet, Jerry & Sam I wish hired out for the support of my wife & children as long as they  
 remain together, should one of my children die before they come of age or marry, then  
 the portion intended to vest into my estate I go to the survivors. My Executors pay-  
 ing my debts to the best advantage out of my estate. The negroes Harry, Phoebe and  
 her son Sampson and girl Ann to be at my wife's disposal forever to do as she  
 pleases, the other negroes & property on her marriage again to vest in my estate. The  
 negro Sam to pay my Executors twenty five dollars a year for six years and after that  
 time, five dollars a year during life, And I appoint my friends George Walker &  
 James Smith, also my two sons when they come of age, to be Executors of this my  
 Will.
