 and executed his last will and testament and in the first item
 of said last Will and testament it had been omitted to make
 certain provisions for Ann R. Williams the widow and relict
 of said John Williams deceased to wit a Carriage, which was
 the family carriage at the time of the death of said John Williams
 also a Wagon and Harness and provisions of all kinds for the sup-
 port of the Rock Landing and Mill Plantations Now in order
 to the convenience of all parties concerned in said Estate and
 to relieve the executors of said Will from embarrassment it is hereby
 agreed by and between the parties to these presents that the executors
 to said Will shall transfer and deliver to the said Ann R. Wil-
 liams the family carriage aforesaid as also the Wagon and harness
 which have been used at the Rock Landing Plantations and they
 are likewise authorized and requested to furnish out of the
 general estate sufficient provisions of all kinds for the use of
 the Rock Landing and Mill Plantations for twelve months
 from the death of said deceased. And whereas by the sixteenth
 item of said Will it is provided that the proceeds of the property
 designated in the two preceding clauses (meaning the fourteenth
 and fifteenth items of the said Will) be after the payment of the
 just debts of the Testator equally divided among his six children
 omitting to make any provision of said proceeds for Joseph Williams
 Now for and in consideration of the natural love and affection
 of the said six children to wit Reuben S. Williams John S. Wil-
 liams Nathaniel S. Williams George W. Ward by himself & his
 Trustee ^{whereof George W. Ward is himself & his interest under the last Will of John Williams}
 under the said Reuben S. Williams John S. Williams and
 Nathaniel S. Williams & Mary Ann Cowles by herself and her trust-
 tees the said Reuben S. John S. and Nathaniel S. to and for their
 brother Joseph Williams have severally relinquished unto Nathaniel
 S. Williams so much of each and every of their shares and interests
 in and to the aforesaid proceeds referred to in said sixteenth section
 of said Will as shall give to said Joseph equal share with the
 said six children - to have and to hold the said relinquished
 estate and instrument by the said Nathaniel S. in trust for
 said Joseph Williams his heirs and assigns for ever

And it is further agreed by and between the parties to these
 presents (and the executors to said Will are hereby empowered and
 requested to recognize the same) that all the debts due the said
 Estate or to be due by the said legates to said Will are to be
 paid by the said legates out of their proportionable share of
 said estate and where there are trust estates they shall be paid
 by the Trustees. And it is also further agreed by and between

the parties to these presents that in the settlement between the Executors of said Will & Horace R Ward an equitable allowance is to be made to said Ward for the difference between the present valuation of the Furniture of the Central Hotel as valued & sold to Frederick Sims and the valuation when purchased by John Williams in January last-

In testimony whereof the said parties to these presents have hereunto set their hands and affixed their seals this 30th day of August 1839
