\$ 5,245.62 1/2

Not S. B. Crampton by father is now suing the State for the recovery of the above amount and its interest. A legacy was left in the hands of Robert Bral dec'd & Walter Harris as trustees for S. B. Crampton. Walter Harris the trustee withheld a portion of the funds say say principal & interest up to this time of about fifteen hundred dollars. Crampton seeks to make the State liable for the whole amount of legacy I am resisting it. I have frequently proposed to pay what I believe to be due him by the State this he declines according to him it must be settled at Law.

The foregoing statements in this & other foregoing pages are believed to be correct.
