In the name of God Amen, I James R. Pory of the said State and County
being in ill health and knowing that I must depart this life deem it
right and proper both as respects myself and my family that I should make
a disposition of the property which a kind Providence has blessed me.
I therefore make this my last Will and testament hereby revoking
and annulling all others heretofore made by me.
Item First I give and direct that my body be buried in a decent and
Christian like manner suitable to my circumstances and condition,
my soul I trust shall return to rest with God who gave it, as I hope
for eternal salvation through the Lord and Saviour Jesus Christ as I humbly
trust

Item Second I give and direct that all my just debts be paid
without unnecessary delay, by my Executors hereafter named, as I am
unwilling my creditors should be delayed of their rights especially as
there is no necessity for delay.

Item Third I give that my Wife Sarah shall have full control
of what effects that I may have died possessed of. It is my desire that
my children be kept and brought up under the control and guidance
of their Mother. I give that my effects shall be kept together
and my children maintained and educated out of the proceeds thereof
and in case of either of my children marrying I have it discretionally
with my wife to give or not as she may deem most beneficial for the
remaining children and at her death my estate to be equally divided
among my children.

Item Fourth. I constitute and appoint my wife Sarah Executor of
to this my last Will and testament this July 10th 1845

Georgia
Bibb County } I know all Men by these Presents that I Selina P. Hall
being of an advanced age & in feeble health but of sound & disposing mind, do make this my last will & Testament.
It is my willed desire that at my death all my property both real and personal, after the payment of my just debts shall go into the possession of my daughter Susan P. Howard and be for her sole use and benefit for and during her life, but not in any manner to be subject to her debts; and at her death to be divided among my grand children, the children of the said Susan P. Howard in such manner & proportion as she the said Susan P. Howard may think most equitable and just at her death, taking into consideration their condition & capacities - of this she is to be sole judge. I constitute and appoint my grandson, John W. Howard trustee of my daughter, Susan P. Howard, with the request and instructions that the property given to her during her life shall be kept & held for the sole use & benefit of her & her children & not in any manner to be subject to be taken, sold or disposed of for her debts. I give unto my granddaughter Isabella A. Howard a negro woman called Lavinia & her issue - should she come bequeathed to her be given & decided as my daughter Susan P. Howard may direct, to my other grandchildren. I constitute & appoint my daughter Susan P. Howard my Executrix of this my last will and Testament.

With regard to the place at which I now live, it is my wish that my daughter should live here at my death - if however her inclination or interest should require she can sell the same, but the money arising from the sale must be invested in a place else where for the sole use & benefit of herself and children to be disposed of at her death to my grand children in such manner & proportion as she may think best. In testimony whereof I have hereunto set my hand and signed my name this 5th day of March in the Year of our Lord two thousand
