No
 Jno Deew & Wm Deew } Northern division of the State of Alabama This
 Defendant sd Jno Deew in this his separate answer says that it is true complete & def-
 -endant Jno Deew were married at the time & place charged & that
 Complainant has given birth to the children named in her bill that
 Judith Kinger did execute the deed of trust mentioned in Eg in
 Complainant's bill that he did consent to act as trustee under sd deed This
 Defendant admits he has not taken any control of the negroes mentioned in sd deed
 as to reduce them into his possession but says he has taken such control as he believed
 himself authorized to take under the provision of sd deed that is to look after them
 to advise as to their management and control so as to be beneficial to the complainant after
 the time of filing of Complainant's bill & This defendant says he has never refused to do &
 perform every duty as trustee as aforesaid which he understands he is in law or Equity bound
 to perform He says the slaves referred to in sd deed of trust mentioned were not present when
 the sd deed was executed they were at the in the possession and under the control of the defen-
 -dant Jno Deew that Complainant instructed him to let them remain there & he has
 done so as by the provision of the sd deed as he understands she had a right to control
 - the possession of said slaves & she being entitled to the possession and to enjoy the
 services labor & hire & profits arising any way out of the services or labor of sd
 slaves for her own use live & household & support & for the support and education
 of her children under the provision of sd deed Defendant did not believe he had
 right to control sd property as the complete & left Jno Deew & their children were
 living together & the negroes were there also & at work on the plantation & he & her
 children enjoying a support from their labor & services This defendant is a gentleman
 & all times has been desirous of discharging his duty as trustee & he has failed to do so
 in his duties it has been not an intentional omission He will most cheerfully obey the
 direction of this Court & the premises should he continue to hold the office should it be
 the duty of the Chancellor to remove him he will as cheerfully submit to his decree & it is
 in office he did not desire it was at the solicitation of Complainant and her mother
 he consented to act the same solicitation may possibly influence his resignation
 This defendant admits it true that said John Deew did at one time since the making
 of sd deed remove sd negroes across the line of this State into the State of Georgia but he
 brought them back again of his own accord on the same day or the next day Thereafter
 Defendant does not know and does not believe they were carried off for any other purpose other
 than to annoy the complainant and her mother He does not believe the defendant John
 Deew designed to make any attempt to sell them or any of them at that or any subsequent
 time up to the filing of said bill The defendant knows nothing of any understanding
 between his Co defendant and the negroes by which were to be run off to parts unknown
 soon as they could pitch out cotton enough to get money to pay expenses & besides he
 knows of any intention of his Co deft to run said negroes to parts unknown at any time
 This defendant is advised and believe that it is not material for him to make further
 answer to the matters and things charged in Complainant's bill that the mother and
 things therein contained and not by the defendants answered and refused to on matters
 in which he has no direct responsible connection and as to which no action of this
 Court is sought to charge him and he is advised that no discovery from this defendant
 to said mother is legitimate in the investigation of the facts therein involved
 This defendant therefore disclaims any connection whatever with the defendants mentioned with

when she has herself not only pursued a course calculated to reform occasional out-
 breaks but has unfortunately and unwittingly it is hoped pursued a line of domestic
 policy so far as giving way to turbulent temper is concerned well calculated
 to balance the most staid resolution and forced a resort to indulgence which de-
 lude determined are unable to resist defendant also avers that his natural tem-
 perament is gentle and kind that he is harmless in his nature whether drunk or
 sober so far as doing personal violence to any is concerned Although when provoked
 he is irritable but not revengeful he regrets fruitless to which he is unfortunately
 subject and as deeply regrets as deeply regrets the want of that ordinary forbearance
 on the part of Complainant so necessary as well to their mutual happiness as an
 inducement to defendant to correct any unfortunate indulgences in to which he may
 have fallen & This defendant admits as true that Complainant has on some
 occasion reported from him and gone to his mother and remained until the excite-
 ment which stimulated her rashness would wear down when the defendant forgiving
 in his nature and influenced by the recollection of the affection which she once
 manifested for him and of the love which united their destinies and by the paternal
 regard for his offspring which he delights to cherish even willing to forgive would
 receive her back to his confidence and protection whose mutual condonation for
 difficulties and injuries past were made in hopes on the defendant's part that the
 experience of the past would serve as inducements for mutual reformation in the
 future But as it is in these reasonable hopes defendant has been doomed to sad disap-
 pointment and it is with feelings of regret and as full sense of sinning fruitless
 which are charged upon him in Complainant's Bill that he is constrained to complain of a per-
 sistent refusal on the part of Complainant to discharge the duties of a wife Defendant avers
 that from the birth of their last child hitherto she has abandoned his bed and has
 refused him that avers which a husband has a right to expect and with a pertinacious
 worthy of a better resolve she has remained intractable to all his efforts of persuasion
 remonstrances or promises since the prime origin and cause of many of the troubles of
 which Complainant complains Defendant admits it true that Complainant has given
 birth to the children as alleged in 2nd of her bill These names ages and sexes
 Correctly given & Defendant denies the allegation contained in 5th and 6th of Complain-
 ant's Bill as therein charged & This Defendant's mother admits or denies the making
 of a deed of trust conveying to Mrs. Burr certain negroes in 89 of Complainant's bill
 mentioned to hold in trust for the use of Complainant's children Defendant has
 been informed that a pretended deed has been made but he has no recollec-
 tion of having seen read or heard any such deed read to him and the only
 paper he has any recollection of seeing or hearing read is an exhibit of Com-
 plainant's Bill purporting to be a copy of a pretended original of any such
 original deed was made it was not his deed and he denies to said Justice
 Kirger any right to make said deed and insists that he should not be com-
 pelled or his rights affected thereby and direct proof of the execution and her authority
 to make said deed is required This defendant avers that the said negroes Jeff
 & Henry were at the time of the execution of said pretended deed if any such
 was executed and of the filing of said bill and had been from before his
 marriage with Complainant his property and they and the other slaves mentioned
 in said paragraph of said bill were and had been from the time they

and void in the event the prayer of the defendant cannot be granted to the extent asked for he ask for such equitable relief as by the facts of the case may be just and right. This defendant admits may be true that said William Druw has not taken or exercised any control over said negroes in said pretended deed referred to as trustee This defendant denies to him that right and claims the sole and exclusive right of control his own property without let or hindrance. This defendant admits it to be true that he has once since the date of the pretended deed of trust set up in complainant's bill removed said negroes in said deed mentioned and taken said negroes to Georgia he had a motive lawful in itself for doing so he did not sell said negroes and made no attempt to sell the same if he had he could and believes he had a right to do or otherwise dispose of them He desires plaintiff's right to said property or any interest therein while he lives and is capable of managing said property He denies having any understanding with said negroes to run them as charged in § 15 of complainant's bill Defendant demurs to complainant's third assigns as cause as cause of demurer & The Bill is multipurpose. 11 Projoinder of parties defendant 111 Misjoinder of causes of suit 14 The Bill is consistent with Ch. 15 v The Court of Equity 11 Because there is no Equity as to Mr Druw 11 Because the Complainant does not allege any property in said negroes referred to in said pretended deed of trust at the time the said pretended to have been made This defendant having fully answered prays to be he mee discharged with his reasonable costs

Before me John Brath register in chancery for the 5th district of the Northern chancery division of Alabama Came John Druw and being duly sworn say that the facts set forth in the foregoing answers so far as they are stated as of his own knowledge are true and so far as he gives them from information he believes them true Sworn to and subscribed before me the 20th Oct 1857, John Brath reg &c John Druw Elizabeth Druw by her next friend B. H. Kinger vs John Druw & Mrs Druw In Chancery Court Ala The answer of the plaintiff Elizabeth Druw to the cross bill of the Defendant John Druw The said plaintiff saving & preserving all rights of exception and objections to the said to cross answer and cross bill of the said defendant's bill of John Druw for answer to so much and as much parts defensible of said cross bill as she is advised and believes Agt 12th is nature for her to answer unto for answers 1858 says as follows wit She admits she has abandoned defendant's bed and board and avers she bore so because of his cruel and inhuman treatment and to save herself from loss of life or great bodily harm and because she could not live in peace with said defendant and that she carried with her the children for the same reason and because she was advised and believed it was right and her duty to do so and she avers that said defendant has rendered himself by his excessive intemperance and bad conduct amenable and incompetent to have charge of said children 11 She admits that she has taken away from the place where they were residing at the time she left seven cotton spinning machines one wash pot one pair of scissors and one two horse wagon and of small

for such provision was unintentional on complainant's part and she was determined to amend the prayer to said bill so as to ask for a provision for said defendant's support and she is advised and believes and therefore avers that on the preceding the 20th day of October 1857 and before the filing of any answer by defendant her attorney J. J. Turnley called upon the register in Chancery for the bill in this cause for the purpose of examining said prayer of said bill and the register informed him the papers were not in the office that her attorney then brought her Cooper the said defendant's solicitor to procure the papers for the purpose of amending that he was unable to get the papers that her said solicitor J. J. Turnley informed said Cooper defendant's solicitor of the determination to so amend if such prayer was not already inserted that at the time an answer was filed that afterwards on the said 20th of October 1857 and before her said counsel could procure the papers for the purpose of amending and with a full knowledge of the determination to amend and assurance that it was an accidental misapprehension that caused the omission in the prayer of the original bill the defendant's answer was filed and that afterwards on the same day her solicitor requested depts. solicitor to withdraw defendant's answer and that defendant's counsel refused and that afterwards and on the 3^d day of December 1857 amendments to the prayer to said bill asking that the Court decree a suitable and proper support for said defendant were proposed and defendant by his counsel filed objections to the allowance of said amendment although defendant and his attorney well knew that such was the intention of the original bill as set forth And complainant submits whether it is equitable and right that said defendant should never be heard to complain that complainant seeks to strip him of a support and turn him upon the world destitute when he has copiously and pertinaciously refused to allow such prayer to be inserted for his support &c & The land she claims is described and set forth in her original bill and is known and distinguished as the east half of the north west fourth of section 19th Township nine Range (11) east in the Crossa land district She demands to the defendant's cross bill and assigns as causes of demand (1) There is no equity in the Cross bill 2) The want of proper parties defendant in said cross bill Having fully answered she prays to be here discharged with reasonable cost

 1849 John Drew sold and relinquished to Judith Kinger all his right
 title interest and claim in the estate of James Kinger deceased for the
 sum of seven hundred dollars to be paid the first day of Jan 1853 that
 that these two bills of sale and deed of relinquishment of John Drew
 interest in the estate of James Kinger was to secure Judith Kinger
 against loss in paying off the debts of the said John Drew and to assure
 the said John Drew to make a valid settlement of his above named
 slaves on his wife & children and complainant over that Judith
 Kinger faithfully carried out said agreement by making the deed referred
 to in § 9 of complainant's bill referred to as "exhibit A" and to make
