

[illegible]

August 18th 1861
I have been thinking of you
and wondering how you are getting on
in the summer. I hope you are
having a good time and are
enjoying the weather. Love
and the best wishes are
sent to you.

I shall then say by the friends of that I have
and I mean of course to be very much
I mean to be very much of the same
the idea of my paper should be to be
withstanding any thing said in any other
and also I don't think by the friends of
without any two friends of friends in the
and just now that it is the (the) friends of
in my own self and that my friends
shall have in his time of a certain
in a way of a certain subject
subject also to the (the) friends of
and will be lastly it is my own
