City of Savannah In the name of God Amen. I Charles Harris
 of the State County and City aforesaid Counsellor at Law, do make and
 publish my last will and testament, Whereas all the Estate I possess
 I got from the goodness of the late Major General Sachlan McIntosh
 deceased father to my late kind and best of wives Katherine McIntosh
 McIntosh youngest daughter of, to whom I was married on the
 twentieth day of December in the year of our Lord one thousand
 eight hundred and ninety eight and whom I had the misfortune

(now to be forgotten) to be separated from by death on the
twenty fifth day May in the year of our Lord One thousand
eight hundred and fifteen, in the House where I now live in
which he was born married and died, and whereas it was
the intention of General McIntosh that the said Estate should
descend to his grand children by this marriage and to his
Blood in case of failure of issue I therefore give & devise
all the real and personal Estate (not otherwise disposed of)
of which I am possessed or seized of unto my son Chauncy Harris
and my daughter Sarah Elizabeth Harris share and share
alike and to be vested in them and their heirs Executors and
administrators, as my affections have been towards them in
fair equal proportions without partiality to one more than the
other and such share to be claimed by either of them
at the of Twenty one years or day of Marriage but in case
of the death of my son and daughter before the age of Twenty
one or day of Marriage I order and direct that my said Estate
be sold and disposed of by my executors hereinafter named at
public Auction, on a Credit with mortgage and that the
proceeds be divided into three equal shares and one share
and proportion I give and devise unto my worthy Brother
in law Hampden McIntosh his heirs, Executors and admin-
istrators, a second share and proportion I give and devise
to my dear Niece and Nephews and the Survivor Sarah
Ward, John Ward, and Charles Harris Ward, his, her and
their heirs Executors and administrators and the third share
and proportion I give and devise unto my dear Nieces and the
Survivor of them Maria Bayard, Jane Bayard and Har-
garet Bayard and their heirs Executors and administrators
All the Grand Children of General McIntosh with leave to
each of the above Legacies or Devises, to purchase any part of the
said Estate equal to the proportion claimed by him or her, this being
of my will to be subject to the following Charge & Incumbrance
In Case of the unfortunate death of my dear and beloved son &
daughter before the age of twenty one or day of Marriage, I
order and direct that the sum of One thousand dollars be
paid to my dear Mother Elizabeth Harris, if she be alive when the
Contingency takes place - the sum of One thousand dollars, to my sister
Jane, if she be alive when the Contingency takes place; One thousand
dollars to my sister Elizabeth, if she be alive when the Contingency
takes place - the sum of One thousand dollars to my sister Frances
Harris, if she be alive when the Contingency takes place - the sum

of one thousand dollars to my sister Ann, if she be alive when the contingency takes place, and the sum of one thousand dollars to my niece the daughter of my sister Ann - these sums to be paid in Paris, at the rate of Exchange in that City and if not paid within a year after the contingency happens then contract upon the same. on Condition nevertheless, that my said Mother sister and niece do execute full and ample release of all claims against my Estate and of the private Estate of my son and daughter otherwise this Clause of my will to be void - All Interest I may have now or hereafter in the Estate of my dear Mother, I give and devise to my said sister and Niece and their heirs or Representatives.

As my debts are considerable I order direct and empower my Executors or either of them, to sell, dispose of, transfer and convey the following Chases where may offer, the following property. a tract of land in the State of Ohio, being the Military Bounty Warrant of General Jackson McIntosh for his services during the Revolution and left to me by his will - my plantation and tract of land on the Island of Midway and the negroes who plant there (save Henry and Mary Claimed by Mrs. McGary of Charleston) Two burnt Lots in the township of Monmouth containing two hundred and some acres, bought by General McIntosh at Sheriff's sale when M. Norton was Sheriff and devised to me by his will also all the land on ^{the} General's Island, as not being productive to the Estate, to this sale, it will be necessary to obtain the assent of my son and daughter, to whom I consider the same to belong and when the said property is sold, to make good and sufficient bills for the same and apply the proceeds to the payment of my debts.

I order and direct that my son and daughter be educated when most agreeable to them, as they are old enough to judge for themselves and that my dear daughter remain as near her brother as convenient & prudent.

And that the most liberal allowance be made to them, as far as the Estate will allow, by its proceeds or sales, this I pray may be performed by my executors and to the performance of this request, will be the last consolation, I shall have on my death, so far as may relate to the affection and love I bear to my son and daughter.

I wish that as much property may be sold in McIntosh County as will enable my Executors to improve my Lots in Town and the wharf Lots and land near the town and the wharf lot and other lots in Darien, by which it is ^{to be} hoped that a Decent income may arise for the comfort and Education of my poor Children.

I wish and desire, that the following negroes may be hired out and pay moderate wages, to wit - Hysa and his sons and daughter & Mary and her daughter ~~Hyacinth~~ ^{Hyacinth} (Sally belonging to my daughter Sarah by gift from her Grand Mother) and Tyra the last of whom I wish to

remain with Mr Hampden McEntosh, as long as he lives free of wages, also with all these negroes to be kept as servants for Charles and Sarah when they keep house and if ever sold I pray that they may choose their own masters and be sold at the most moderate price to enable them to suit themselves.

I request that the statute of limitations may be pleaded against all claims, on which it will operate, conscious that I do not owe any debts or demands of old date, except an acct with friend Peter de Villers, lately due - disputed acct with the Estate of Henry McCay (formerly owner) acct with Mr R Richardson and several others to be excepted by my executor as they may think just from evidence or conviction that I have been mistaken in such case. I am sure they will do justice and avoid such plea, I state this from the confusion of my papers by neglect by war and fire and not to let any person loose to cheat by me, if in the power of my Estate to pay.

I appoint as Guardians to the persons and property of my son and daughter and Executors of this my last will and testament, with the hope that one or more will act as friends to my orphan children and perhaps induced by some former recollections to wit my dear friends Hampden McEntosh, General John McEntosh, Thomas Spaulding - Jacob Wood - William Davis - John Stinson Esq. & others. In witness whereof I have here to set my hand and seal this nineteenth day of August in the year of our Lord one thousand eight hundred and twenty two.

Sealed and delivered in the presence of us, whose presence of the testator affixed our names as
