State of Georgia--Cherokee County. SS

I, H.D.Bryant, of said state and county, being of sound and disposing mind and memory, do make this my last will and testament, hereby revoking and annulling all others, by me heretofore made.

1. I desire and direct that my body be buried in a decent and Christianlike manner, suitable to my circumstances and condition in life.

2. I desire and direct that all my just debts be paid without unnecessary delay, by my executor hereinafter named and appointed, and is a sale of any of my property is necessary for this purpose, I wish her to select for sale that which can be most advantageously used for that purpose; and I authorize her to sell the same at public or private sale, as she may see fit and proper.

3. I give, bequeath and devise to my beloved wife, S.J.Bryant, all of my property, real, personal and choses in action, absolutely and unconditionally in fee simple, together with unlimited power to sell or otherwise dispose of all or any part of the same, by deed or will as to her may seem proper and right. I do this for the reason, we have no lineal descendents except three grandchildren, the issue of our daughter, Nannie, and having implicit confidence in the honesty and integrity of my wife, I know she will care for and preserve all the property given to her by this will, and that in the final end the three children of the survivans of them, will get the benefit of all my property above that comsumed in the care and maintenance of my wife.

4. I hereby constitute and appoint my beloved wife, S.J.Bryant, the sole executrix of this my last will and testament, and I expressly confer upon her power, as such, to administer my estate, excusing her from giving any bond or making any returns to the ordinary, or any other legal formality required of executors and administrators by the laws of the state, except I require her to have this will probated as the law directs, either in solemn or common form, as may seem to her to be for the best interest of herself and my estate.

Intestimony whereof I have hereuto set my hand this September 17th A.D. 1908.

H. D. Bryant.

Signed, sealed, declared and published by H.D.Bryant as his last will and testament, in the presence of us, the undersigned, who subscribe our names hereto in the presence of said testator, after he had signed his name thereto, and at his special instance and request, and in the presence of each other.

Item, 1st. I wish my executor, as soon as possible after my death to pay my debts. If a sale is necessary I wish for him to sell my personal property first before selling lands to pay my debts. Item, 2. I desire that my executor have a slight or simple marking of my grave on the monument that now stands beside the grave of my wife now buried at Macedonia grave yard and I desire to be buried by her side. LAST WILL & TESTAMENT OF JAMES R. BROWN | Filed in office March 8th, 1915. J.M.Satterfield, Ordinary.

State of Georgia, Cherokee County.

In the name of God, Amen.

I, James R. Brown, of said State and County, being of sound and disposing mind, and memory, and desiring to make a disposition by will of the property, with which a kind Providence has blessed me, do make and execute this my last will and testament, hereby revoking all other wills heretofore made by me.

Item 1st. I will and desire that my body be buried in a plain Christian-like manner, And I commit my soul to Him, who gave it, trusting for salvation by the blood of Jesus Christ, my blessed Savior.

Item 2nd. If I should leave any debts unpaid at the time of my death I desire my executors to pay them with as little delay as possible.

Item 3rd. To my wife, May R. Brown, I will and bequeath the sum of twenty thousand dollars in money, ten thousand dollars of which to be paid to her six months after my death, and ten thousand dollars twelve months after my death. In addition to the above I give and bequeath to my said wife ten thousand dollars of four and a half per cent bonds on the State of Georgia, said bonds being registered in the office of the State Treasurer, and I will and bequeath said bonds to my said wife for and during her natural life. And if said bonds fall due before the death of my wife, then I desire my executors to collect them and loan the money at interest to be well secured, the interest to be paid annually or semi-annually and paid by my Executors to my said wife, when collected. And at the death of my said wife I desire and direct that said ten thousand dollars be equally devided between my other heirs. And where any of my children shall be dead at the time of the death of my said wife, who have left child or children then living, such child or children shall take the share their deceased parent would have taken if living. And should any child or children of any of the children of mine, who shall be dead at the time of my wifes death be dead leaving any child or children, then living, it or they shall take the amount its deceased parent would have taken had it or they been alive at the time of my wife's death. I also give and bequeath to my wife all the household and kitchen furniture which I have bought since our marriage, including silver-ware, also one carriage and one horse to be selected by her. And all the cattle, hogs and other live stock I may have at the time of my death, except horses and mules. And all the poultry. Also all the corn, meat and provisions, of any kind. And if any of the merchants should be indebted to me for farm products which are to be paid in merchandise, shall have those debts for the use of the family. And if I should die before the crop os planted for that year then I give and bequeath to my said wife the crop on the plantation on which we live for that year, or the rents, if cultivated by tenants, and if I die after a crop is planted she shall take the crop or rent for that and the next year provided she remains on the place that long, which she shall have the right to do if she desires to do so. All the household and kitchen furniture I had at the time of my marriage with my present wife I give and bequeath to my children by my first wife. I presume my wife will make my daughter, Frances, more than equal to the other children on the furniture line. The portion above willed to my wife in this item is all I desire my wife to have of my estate, and it is to be in full satisfaction of her part, and I do not desire her to take any years support, except what I have given her from the farm, nor do I allow her to take any dower in my lands, but as before stated, the provision above made for her is to be paid in full of all of her part of my estate and in lieu of dower and years support.

Item 4th. To Mollie A. Wood I give and bequeath the sum of five hundred dollars. This I do as evidence of my appreciation of her great kindness and care for my first wife in her affliction, and my daughter in her last illness, as well as to my present wife in her sickness, and all of her long and faithful service in my family and motherly care of my little daughter, Frances.

Item 5th. To each of my sisters, May E. Watkins and Sallie M. Boston, I give and bequeath the sum of one hundred dollars.

Item 6th. To the poor who may be suffering for food or raiment, I give and bequeath the sum of one thousand dollars, to be distributed to them by my executors at such times and in such amounts and to such parties as they may think will afford the most relief to worthy sufferers, and no part of it is to be given to those who are able to work for their living, and in deciding to whom it shall be applied, good Christian people are to be preferred. And it shall be applied soly to purchase food and reiment for actual sufferers.

Item 7th. I give and bequeath to Lizzie Cochran, wife of James Cochran, the sum of fifty dollars, she for some years in the passed having been faithful help in my family. And I give and bequeath to Abe Lewis, Colored, who belonged to my father-in-law in slavery times, and worked a long time for me, since that time, ten dollars.

Item 8th. All the balance of the property, which I have at the time of my death not heretofore disposed of in this will that is all after paying the above legacies, both real and personal, including lands, personal property of every description, bonds, stocks, notes, choses in action, and all kinds of debts which shall be due me at that time, money I own, property and everything I own at that time I will and bequeath to my children, John W.L.Brown, Joseph E. Brown, and Frances M.Brown, and the children of my deceased son, George R. Brown, said grand children all just taking one-fourth the same as one child, so that one-fourth will go to each of my living children, and the other fourth to be divided between the children of my said deceased son. And in the division of that fourth between them, James R., my namesake, shall take three hundred dollars more that the others, and with that exception it is to be equally divided between them. And I keep a family book in which I have charged each one the advancements I have made to him and in making up the shares I desire and direct that each one of my children to whom advancements have been made, shall account for said advancements as part of his share and the children of my son George shall account for the advancements made to him in his life time, in the same way. children, it or they shall take the share or part, its or their deceased parent would have taken if living, at that time. And if I should make any advancements to any of my grant-children during my life-time said advancements shall be charged to them as so much or their share of my estate.

Item 9th. Dr. John W. Lewis, my first wife's father, gave the plantation on which I now live to my said first wife for life, with remainder to me for life, and remainder after my death to my son, John W.L.Brown, but changed it to my said wife as though it had been given to her in fee, and she accounted for it as such in the settlement of his estate after he had so deeded said plantation he said to me that I could arrange it in my will so as to make my other children equal with John. And a few years ago he deeded his remainder interest in the plantation on which I live to me, and I deeded to him the plantation on which he lives in Bartow County, and I charged him on the family book what I consider a full price for the Bartow place, just as I would have done had he not deeded me his said remainder in my home place. And I desire him to account for it in that way, just as though he had received said remainder interest from me instead of his grandfather Lewis. This I consider right as it was charged to his mother and I know that it was his grandfather's wish.

Item 10th. I will and desire that the portion that goes to my deceased son George R. Brown's children under this will be kept loaned by my executors at interest upon undoubted security, and as each one of them comes of age, his ir her part be paid to them so far as my estate has been administered at that time, and the balance on a final settlement. And no part of their share or shares shall ever go into the hands of their mother or grand-father, either as guardian or otherwise. And should any one or more of said children die before arriving at the age of twenty one years, then I desire its or their part to be equally divided between those who live to that age, and no part of it is to go to their mother.

Item 11th. I will and desire that all the bonds and stocks I have at the time of my death, not otherwise disposed of in this will to my wife, be devided into four equal parts, or near as can be, and that each one of my children who shall be living at that time take one share of them. And the other shares that would go to the children of my deceased child be sold by my executors and the proceeds go into their, the said children's part.

Item 12th. I desire that the share of my daughter, Frances M. Brown, except her part of the stocks and bonds, which will be apportioned to her in the division, be kept at interest upon good and sufficient security till she arrives at the age of twenty-one years, and then paid to her with the interest. And if she gets any bonds in the division of my stocks and bonds they may be kept in that form till she arrives at age, or they fall due. And my Executors may invest as much as twenty thousand dollars of my said daughters part of my estate in good solvent bonds on State, County or City, provided they find it difficult to make loans on undoubted security, where it would pay her better. And I desire my said daughter to have an accomplished education, and I desire that the expense of her education be paid out of my estate, and not merely out of her part. But I desire my executors to see that no extravigant or unreasonable expenditures be made or allowed upon her, and that none of her means be spent going to theatres or balls or trips to Europe and such like things. And I want her raised to be an equinomical plain, practical, useful, Christain, woman. And I charge my executors to see that her means are not waisted for things which would not add to her comfort or usefulness. And I trust she will never load herself with hundreds of dollars worth of jewelry, while the poor and widows and orphans are suffering for bread around her. And if another child should be born to me, which is very improbable, then and in that event I desire my estate after paying the specific legacies provided for in this will to my wife and others, be divided into five shares in stead of four, and that said child take one share, just equal with my other heirs, as heretofore stated. And said child shall have the expense of its education paid out of my estate just as Frances is to be by the terms of this will, and its share to be invested and managed just as I have directed that my daughter Frances' shall be.

Item 13th. My Executors may sell any of my property either real or personal, which is not otherwise disposed of in this will either at public or private sale at such time or times as they think for the best interest of my estate, not to exceed eight years from my death, unless a majority of interests, that is those holding a majority of interests in my estate, consent that it be held longer, I mean a majority of those of age and capable of giving their consent. And I desire my Executors to collect at least enough of my debts as soonas convenient after my death as will be sufficient to pay to those of my heirs such amounts as my Executors can safely pay them at that time, who are of age and capable of receiving their part. But where money is safely loaned and will be needed to make the heirs not of age equal to the others, my Executors may in their discretion let them run on longer instead of collecting said debts and reloaning the money.

Item 14th. In all cases where I shall hold deeds to land and hold a note or notes or any other kind of evidence of indebtedness against any party who holds or shall hold my bond binding me to make title to said party holding such bond upon the payment of said note or other indebtedness I hereby authorize and empower my Executors to make deed or such title as the bond binds me to make upon the payment of such note or other form of indebtedness without an order from the Court of Ordinary. So soon as the debt shall be paid in full.

Item 15th. I will and direct that my daughter, Frances M. Brown, be allowed after she arrives at the age of twelve years to give as much as fifty dollars each year for missions and other church expenses and to the poor as she sees proper. And after she arrives at the age of sixteen years she may give as much as one hundred dollars if she sees fit to do so, which I trust she will. And the amount she thus gives shall be paid by my Executors and her receipt shall be a sufficient voucher for the same. And on account of Miss Mollie Woods' more than motherly care of her through her childhood if she should at any time be in want of the necessities of life, my said daughter shall be allowed to relieve her wants and if Frances should not be twenty one years of age my Executors shall allow her to do so out of her means. And I trust that she will in after life see that Miss Mollie shall never be allowed to suffer for food and reiment and other necessities of life.

Item 16th. I have said nothing in this will about the portraits of myself and ed daughter, Sallie R. Brown, and my watch, and such like specific articles, I would give my watch to Frances, but for the fact that it is not suitable for her to wear, and some one ought to have it who could use it, and not keep it merely to look at, so I will my portrait to Frances, but her mother may have the possession of it during her life

she desires it. And my watch and Sallie's portrait I give and bequeath one to John W.L. and the other to Joseph E. Brown, and let them settle as to which one will take the watch and which the portrait.

Item 17th. In case my daughter Frances M. Brown, should die before she arrives at the age of twenty one years leaving no child or children in that event I will and direct that her mother, May R. Brown, take five thousand dollars of her share of my estate, and the balance of it go to my other children, and the children of then living of any of my deceased chindren. And in the division thereof all the children of a deceased child shall take one share equal in the aggregate to the share of one of my living children. And if all my chindren should be dead then the children of each child of mine who left child or children shall take the amounts its or their deceased parent would have taken had such parent been then living.

Item 18th. In case either my sons who shall be one of my executors, desires to purchase any of my real estate or to bid for it, at a public sale ,my other executors and such other party as my wife may select may put the said property fairly on the market and conduct the sale and my son who is one of my executors shall be allowed to bid at the same and purchase the property if he sees fit, and is the highest bidder. Or my other Executors may select one man and my wife one man, and they two so selected may select a third man and they then so selected may value the property under oath and my son may take it at the valuation they place upon it. And I mean to say that said men so chosen shall value it at what they would think to be a fair and reasonable price as near as they can.

Item 19th. If money should become so cheap that in making loans my Executors could not loan the money they will be required to keep at interest to reliable parties where it would be safe at as high a rate of interest as the lawful per cent in that event I authorize and empower them to loan at a lower per cent, but the best per cent they find they can get in the excise of a sound discretion and judgment.

Item 20th. Since passing from specific legacies in writing this will I have decided to give to Joseph E. Watkins, my nephew, and my niece, Jennie Wheeler, both of whom lived in my house some time, and Annie B. Wood who was raised in my house, fifty dollars each, which sums I hereby will and bequeath to them.

Item 21st. I appoint my two sons, John W.L. and Joseph E. Brown, and my friends William Galt, and B.F.Perry, to execute and carry out this will. And should either of my sons die before my estate is fully administered, then I appoint my nephew George M. Brown, to take the place of the one who shall die before that time. And if the said Galt or Perry should die before my estate is fully administered, I appoint Jabez Galt to take his place. And at any time after the death of either of my said sons before my estate is fully administered, the said George M. Brown, may qualify as such Executor. And at any time after the death of the said William Galt or Ben F.Perry, the said Jabez Galt may so qualify. And if either of my sons should die before my death then the said George M. Brown is hereby substituted any may take the place of the one who dies before that time. And if the said William Galt or B.F.Perry should die before I do then the said Jabez Galt shall be substituted and take his place.

CODICIL.

State of Georgia, Cherokee County.

Whereas, I, James R. Brown, of said State and County, did on the Sixteenth day of June, 1905, make and execute my last will and testament, and being now still of sound and sipposing mind and memory, and being desirous of making some changes in my said will, do now make and execute this cidicil to my said will, which I desire to be a part of said will.

Item First: In the fourth item of said will I willed to Mis. Mollie B. Wood the sum of Five Hundred dollars, which I now change and will and bequeath to her the sum of Twenty five hundred dollars. I gave her this sum on account of her long and faithful services in my family, and her kindness and care of my first wife and daughter in their last sickness, as well as for her care and kindness of my present wife in heregreat affliction, through which she passed, and the further fact that she has almost raised my daughter Frances, has been more than a mother to her.

Item Second: In my said will, I willed to my grandson, James R. Brown Junior, the son of my son George R. Brown, five hundred dollars more than to his sister, and more than I willed to either of his brothers. I now wish to change that and give to him the same amount I give to each of them.

Item Third: I will and desire that the portion, which I willed to my grandson, George M. Brown, now called George Rowland, shall be invested by my executors in a good rent paying farm, or other real estate, and that he, the said George R., take only a life estate therein, remainder to his child or children, if he should have any living at his death, should he leave any children it should be equally divided between them at his death. Should he leave any child or children dead at the time of his death, leaving children, they should all take just that their deceased parent would takeiif living, that is to say one share.

Item Fourth: I will and desire that the portion of my estate, which I give to my son, Joseph E., in said will, be invested by my executor either in real estate or good solvent bonds, or stocks, in either case to be selected by him, and that he take a life estate only therein with the right to will the same or any part thereof to any person or persons related to him by blood or consanguinity, but not to those related to him by affinity only. But in the event that his present wife should die before he does, then at her death I desire he should take an absolute fee simple title in said property. And should he leave any child or children living

at his death, said child or children shall take his said share, and should he die without child or children living at his death and fail to dispose of said property bywill as above provided for,then it shall be equally divided between my son John and my daughter Frances, and the children of my deceased don George R., they all,that,is to say, all of said children taking one share or one third; and should my son John or daughter Frances be dead at the death of my son Joseph, leaving children living at that time, the said children shall take the share that their deceased parents would have taken if living.

Item Fifth: I will and desire that my executors allow my daughter Frances to contribute as much as one tenth of her net income to missions, Orphans Home and her reasonable share of church expenses, and tohelp the poor before she arrives at the age of twenty one years, but not to amount to more than one tenth of her net income in the aggregate.

Item Sisth: I will and bequeath to my daughter-in-law Constance Brown, one thousand dollars to be taken from the share of her husband Joseph E. Brown.

Item Seventh: I desire to make a change in my executors. I therefore appoint my son John W.L. and my son Joseph E. Brown, and my friend William Galt, and my further friend Robert T. Jones, in all of whom I have the utmost confidence, my executors, to execute the provisions of my said will as changed by this codicil, and I desire said original will to stand and be carried out just as it is in all particulars where it is not changed by this codicil.

Signed, sealed and published by James.R. Brown as a cidicil to his last will and testament in the presence of the subscribing witnesses, who signed as witnesses by the testator's request in the presence of said testator and in the presence of each other. Dated July 30th, 1910.

CODICIL.

State of Georgia, Cherokee County.

Whereas, I, James R. Brown, of the State and County aforesaid, did on the sixteenth (16th) day of June, 1905, make and publish my last will and testament, and whereas I did on the thirtieth (30th) day of July, 1910, make and publish a codicil to said will, which made some changes and additions thereto, and I now being of sound and disposing mind and being desirous of making some more changes and additions, do make and publish the following as a second codicil to my said will, which I desire to be a part and parcel of said will.

Item First: In said original will I gave and bequeathed to my wife, May R. Brown, ten thousand dollars in bonds of the State of Georgia, bearing four and a half per cent interest per year, and I gave them to her during her natural life, and provided that when they fell due and were paid off the money they brought should be kept loaned out and she should have the interest they brought in during her natural life, and I provided in said will for the disposotion that should be made of the money after her death, and as the said bonds are running at such a low rate of interest I thought best to sell them, which I did, and I now will and desire that at my death ten thousand dollars in money shall be set apart and kept loaned out just as said bonds could have been or the money arising from them could have been if I had made no sale of them for the benefit of my said wife, and at her death it shall be disposed of as provided in my original will, or if she and my other heirs can agree on ten thousand dollars of my stocks and bonds to take the place of the money, she may take a life estate in said stocks and bonds in lieu of the money at interest.

Item Second: To the Georgia Baptist Convention I will and bequeath five thousand dollars to be paid by my executors, one thousand dollars each year for five years; five hundred dollars of it each year to be used for Foreign Missions, three hundred dollars of it each year for State Missions, and two hundred dollars of it each year for Home Missions.

Item Third: To the Georgia Baptist Orphans Home, at Hapewille, Georgia, I give and bequeath twenty five hundred dollars, five hundred dollars of said amount to be paid by my executors each year for five years.

Item Fourth: In my original will I gave one thousand dollars for the benefit of the poor, and provided that my executors should be the sole judges of who should be the beneficiaries of said fund, I now wish to say that my executors may trust such part of said sum as they think best to the Ladies Aid Society of the Canton Baptist Church and I direct that they pay it out for the benefit of those most needy and deserving.

Item Fifth: In the first codicil to my said original will I provided how George R. Brown, generally called George Miller Brown, should take the portion willed to him, and what interest he should have in it; I now wish to say that I now understand that he owes his uncle Joseph E. Brown a debt of ten thousand dollars principal, for the payment of which debt his said uncle holds six thousand dollars of the stock of the Bank of Canton, as collateral to secure said debt, and whatever amount it fails to pay and that he does not otherwise pay, I desire my executors to pay out of his part of my estate and charge it to him. I am told he also owes the Bank of Canton a debt of about three thousand dollars principal, to secure which the said Bank holds some collaterals, and if said collaterals fail to pay said debt and he does not pay otherwise, I desire that my executors pay the same and charge to him, and deduct it from the portion that I have directed my executors in the first codicil to this will to invest for him, and that they invest the balance, which may be coming to him as directed in said first codicil.

Item Sixth: In my original will I provided that in the event that one of my executors should die, whom I named that Jabez Galt might qualify and take his place, I also provided that on the happening of certain contingencies that B.F.Perry might qualify as one of my executors, and in the first codicil to this will I stated that I wished to make some changes as towho should be my executors, and I therefore state that I appointed my son John W.L.Brown and my son Joseph E. Brown and my friends William Galt and RobertT. Jones my executors to execute and carry out my will, and I there said nothing about whether or not that upon the happening of certain contingencies that Jabez Galt or B.F.Perry might qualify as one of my executors, but I did not aim for them to do so, as Perry has moved from the county and Jabez Galt is a good deal of his time away and to make the matter clear as to my intentions I thought it best to make above statement. But in the event

that William Galt or Robert T. Jones should die before my estate is wound up, and a majority of my heirs, who are of age, that is those holding the majority of interest in my estate, should be of the opinion that the best interest of the estate required that another man be appointed in the place of the one who should die or should fail to qualify, my said heirs may select such man as they think proper, and he may be sworn in as one of my executors.

Item Seventh. To Will Hughes, son of Mrs. Lizzie Cochran, who lived with me for some time, I will and bequeath the sum of fifty dollars, and I have heretofore willed to his mother fifty dollars, I now desire to change that to one hundred Dollars. I also will and bequeath to my nephew, William R. Turner, One hundred dollars. With the changemade in my said will by this codicil and the additions stated I now declare the said original will and the first codicil heretofore described and this codicil all taken together to be my last will and testament each of said codicils being part and parcels thereof, and all to be construed together as constituent parts thereof.

Signed, sealed and published by James R. Brown as his last will and testament and he signed the same in the presence of the subscribing witnesses, who sign the same as witnesses in the presence of the testator and by request of the testator, and in the presence of each other. Witness my hand and seal this 26th day of June, 1913.

Item 1. In said original will, I willed to my wife, May R. Brown, a certain amount of money and property, which I desire to be in lieu of a dower and a "Years support", and to make myself clearer and more emphatic, I wish to say that if my said wife should apply for dower or 'years support' or should they be awarded her by the Court, then and in that event, I do not desire her to have the portion willed toher in my said will, but I desire it to be equally divided into four shares, one to go to my son John W.L.Brown, one to Joseph E. Brown, one to Frances M. Brown, and one to the children of my deceased son George R. Brown, in the same manner and upon the same terms, that I have willed them their portion in said will.

C ODICIL.

State of Georgia, Cherokee County.

Whereas, Mary E.Watkins of said county did on the 26 day of June 1907 make and execute my last will and testament, And I now desire to make some changes in said will, and being of sound and disposing mind and memory do make this codicil to said will.

Item 1. In said will refered to above I had willed my son Joseph E.Watkins a part of my property described in said will and I now change that part of said will and do not desire him to have any of my property or estate. But I now will and bequeath all of my property that I had willed to my said son to the children of my son Joseph E.Watkins and his present wife S.T.Watkins on condition that said children support and take care of my said son and his said wife during their natural life, and should any of said children fail or refuse to contribute their share of the support of the said Joseph E. and his said wife, then said child or children so refusing or neglecting to do their part or parts in supporting their father and mother shall have no part in my estate, and if they have received any part they shall pay it back to those who do their part, and all are to receive their share with and upon that condition, and if the said children fail to support and take care of their said father and mother then the said Joseph E.Watkins and his said wife shall have a support off of the land here willed to the said children, and this item and provision includes all the property I had willed to my said son Joseph E.Watkins except that part of the land which lies on the left hand side of the road leading from where I live to Ball Ground as one goes to Ball Ground from my house and North of the branch which said road crosses between my residence and Ball Ground and does not include that part on the left of the road that is South of said branch, the piece here excepted contains about twenty acres more or less, and with the exception of that little piece of land I desire said children to have all the property both real and personal that my son Joseph E. would have taken under my said will if this codicil had not been made.

Item 2. With the changes made in my said will by this codicil, I will and desire that all of said will stand and be executed just as it stands.

Signed, sealed and published by the testatrix as a codicil to her said will in the presence of the subscribing witnesses who signed as witnesses at her request in her presence and the presence of each other.
