

1847. Mr. Mitchell stated  
 that I was with me on  
 Sunday and Miss Mitchell saw the  
 written answer to the columns before  
 and published the written report on  
 the fact with some alterations. That  
 I subscribed the same in a volume  
 which at the special instance and  
 request of the said Mr. Mitchell  
 was in the presence of Mr. Mitchell  
 and Miss Mitchell. I signed the  
 said Mr. Mitchell's report as my  
 duty and voluntarily and without  
 of course and of course I signed  
 the report to and subscribed  
 before the writing of the said 1847.
