### Administrator's Sale.

On the 19th day of January, 1815.

WILL be sold, at the late residence of Dr. Adam Walker, dec'd of Columbia county, part of the personal estate of said dec. consisting of the stock of horses, cattle and hogs, plantation tools, 11 bales clean cotton, a quantity of seed ditto, and the crop of corn and fodder. Also, at the same time and place, will be hired, all the negroes belonging to said estate, and the plantation rented; and on the day following, at my own residence, will be sold some furniture, medicine and books. Conditions made known on the day of sale.

JOHN WOOD, jr. adm'r.  
Dec. 9—6t—p'd] in right of his wife

### VALUABLE LANDS

THE subscriber offers or sells in the neighborhood of five Augustas; consisting of different tract known by the name of Perry which the subscriber lives, containing 700 acres; about 150 of which are enclosed, in several different inclosures to be conveniently fitted for farming with a convenient dwelling house 20 of a story and a half high, with each side and part of one end, all washed and painted, with six rooms places with 3 convenient stone small-house, store-house, poultry-stables, carriage-house, and gin of 80 saws, and other useful necessary about a plantation, with den, and orchards of the choicest climate produce. The cleared land of the molasse kind generally; good hickory, mixed with long-leaved produces well, crops of corn, cotton.

One other tract of land, containing acres, principally oak and hickory well, with about 100 acres cleared house about 30 feet long and 20 piazas on each side, finished below 4 rooms—stairs run up and floor one fire place. The land is of the clay foundation, and produces both corn well; and lies within six miles

Also, one other tract, containing acres, lying on both sides of Hollers best situation for a set of mills out of Savannah river, as it is within four miles of Silver Bluff, which good landing, and the lumber comes from the mill to the river, and the efficient at all seasons of the year.

4 to 6 saws and 2 pair of mill-stones are about 200 hundred acres on good soil to produce corn, cotton.

Also, one other unimproved land, containing between 3 and 4 lying within four miles of Augusta aforesaid lands lying on the Cape the river.

Also, one other tract of land Georgia side of the river, about below Augusta in the low ground containing 224 acres, about 130 enclosed and principally inclosed and cultivation. A safe title will be made of the lands; and for further p
