FSC 7 Letter

Washington April 2, 1789

Gentlemen

I am not certain whether it will be possible for me to attend
at the time appointed for holding the superior court in your
county; and as no court has yet sat there, I imagine there will be
little to do but open the court, as being the first ~~next~~ time.

However, I think it would be of advantage to the county to open
the court and if I can attend, I will. The time and place fixed by
law, makes it the first tuesday, being the second day of June at
Benjamin Acles house.

I am gentlemen with great
Respect your most obd. svt.
