(From the records on file in the War Department this company was changed to Co. C, 1st Confederate Regt. Ga. Vol. The supposition is that it was consolidated with some other company and took the letter designated. The 1st Confederate Regt. Ga. Vol. Inf., was organized about May 1, 1862, and the companies first named were twelve months' troops, a majority re-enlisting for the war, while others were mustered out when the twelve months expired.)
