Last Will and testament of Goda Harris

In the name of God Amen.. I Goda Harris of Glascock
 County Ga. being in good bodily health, and of sound and
 disposing mind and memory.. Calling to mind the frailty
 and uncertainty of human life, and being desirous of settling
 my worldly affairs, and directing how the estates with which
 it has pleased God to bless me shall be disposed of after my
 decease, while I have strength and capacity so to do, do make
 and publish this my last will and testament, hereby revoking
 and making null and void all other last wills and testaments
 by me heretofore made.. And first I commend my immortal
 Being to Him who gave it, and my body to the Earth to be
 buried with as little expence or ostentation by my Executors
 hereafter named.. And as to my worldly estates, and all property
 real, personal, or mixed of which I ~~have~~ shall die seized and pos-
 sessed, or to which I shall be entitled at the time of my decease
 I devise bequeath, and dispose thereof in manner following, to wit:..
 My will is, that all my just debts and funeral charges shall by
 my Executors hereinafter named, be paid out of my estate as soon
 after my decease, as shall by them be found convenient-
 I give devise and bequeath to my wife Francis Harris one half
 of all my Household furniture and all other personal property
 together with one half interest in my real estate to be divided by
 Commissioners if she desires it so she retains the dwelling and
 spring for her sole use & benefit during her widowhood and
 then to revert to my estate and as to hereafter disposed of.
 I give devise and bequeath to my daughter Saphronia
 (Callie) Thompson and her body heirs the remaining one half
 of all my Household furniture and other personal property
 and one half interest in my real estate (and the reversionary
 interest bequeathed to her Mother at her Francis Harris death)
 further and her children to be divided and as to be...

during her natural life and then be equally divided between all her children except her oldest Son Gale I give & bequeath at the time the property is divided fifty acres of Land to be cut of so as to include the dwellings & Spring. I do this as it is my wish and desire to have my old homestead retained in the family- if however he the said Gale Thompson shall not desire to live on the said fifty acres so bequeathed then it is all to be equally divided, provided however in the above where the bequest is made to my daughter for her natural life & then divided is that she may live to raise all her children to the ages of maturity, but should she die before all her children are raised to years of maturity it is my desire to have the property to remain together to raise the children all alike, and it is also my desire that Gale Thompson my Grand Son have one Horse (more) for himself at my death.

Lastly.. I do nominate and appoint my wife Francis Harris and Cicero Thompson to be my Executors without bond of this last will and testament. In testimony whereof I the said Goda Harris have to this my last will and testament Contained on one sheet of paper subscribed my name and affixed my seal this 8th day of May in the year of our Lord one thousand eight hundred and seventy nine
