

Georgia I, Cornelius W. Callaghan being of Cobb County sound and disposing mind and memory do make this my last will and testament, hereby revoking all wills heretofore made by me.

Item 1st I desire my body after death to be decently buried at the settlement burial ground in Gordon County Ga near Lily Pond post office in the same lot where my father, mother & brother are buried and my soul I commend to the God who gave it.

Item 2nd - I desire all debts against me or my estate to be paid by my executor first in the order of priority established by law out of the assets of my estate. (I attach a list to this will as a memorandum marked exhibit "A" which are of force now March 13th 1891 against me & I owe something beside if memorandum "A" gets lost the total amount on it is \$119.75.

Item 3rd - After the debts are paid as in Item 2nd above I desire that out of the remainder of my estate my executor purchase plain Marble head and foot stones and have them placed at the graves of my father, mother, brother & my own when ready in the settlement grave yard, in Gordon County as stated in Item 1st and also that the graves be enclosed by a fence so as to protect them. I don't want the head and foot stones for each grave to cost more than \$5.00 & I prefer for an Iron fence to be placed around the graves, but if in the opinion of the executor there is not enough money for this and to carry out my other purposes he can use cheaper material for the fencing.

Item 4th I have now a gold watch that is nearly new and that cost me \$60.00 I give this to my Aunt Mary Pearson who now lives in Gordon County Ga. Provided that my executor if he needs it to pay debts or fit up graves may be using it.

sole Judge, demand of \$2.00 for these purposes before assenting to or executing this bequest.

Item 5th I give and bequeath the balance of my property to my Aunt Maggie Jennings who so faithfully waited on me when I was sick in Marietta Ga on or about March 13th 1891.

Item 6th I nominate J. A. Coley as my executor to execute this will without bond or security and to sell any property of my estate that it may be necessary to sell at private or public sale as he thinks best without any order of the Ordinary having jurisdiction of him. I do not wish any appraisement of my estate to be had, but if my executor wishes to have an inventory and appraisement to be had he can do so in his discretion. - I desire him to make only one return (unless heirs and legatees or a majority of them request him in writing to do so, that is to make a return each year) The one return referred to is to be after he has executed this will and is ready to apply for letters of dismission.

In testimony whereof I have hereto set my hand this March 13th 1891.
