We the Special Jury having heard the Opinion of the Court and Conforming our Opinion thereto do decree 1st That inasmuch as under the first Section of the will of the Testator Joel Early deceased the Legal and equitable Estate having Combined in the same persons to wit Peter Jeremiah and Joel Early Sons of the Testator and thereby gave them as Complete a title in and to the Term as they might have had had there been no trust and their Estate became as if there had been no trust of the term but an absolute Estate in fee Simple vested from the death of the Testator, that as regards such interest of said three persons Peter Jeremiah and Joel Early under said Section the Trust was void and the Complainant surviving trustee is discharged from all responsibility for and on account of the trust so attempted to be created

109 2d That for the same reasons the surviving trustee Joel Early be

be discharged from all responsibility under the Seventh Section of the said Section of the will of the Testator in regard to the interests of said three persons Peter Jeremiah and Joel Early in asmuch as they took Estates in fee Simple from the death of the devisor, and also that the Complainant Surviving trustee is discharged from responsibility under the second Section of the Codicil of the will of Joel Early deceased in relation to the interests of Jeremiah Early (now deceased) the said Jeremiah having a fee Simple interest under such second Section of the Codicil

3 That the Complainant Joel Early takes an absolute Estate to himself in the negroes named in the sixth Section of the will & Consequently that the trust attempted to be created in relation thereto is void

4 That the land given in trust for the Testators daughter Lucy in the second Section of the Codicil of said will being as regarded as quantity and duration a freehold, was an use executed by the Statute of uses, and an Estate being thereafter immediately created limited to her issues by the Statute de donis created a fee tail, but under the laws of this State creates a fee Simple in said Lucy from the death of the Testator therefore that the Trust attempted to be Created was void, and the Complainant Surviving trustee is discharged from all responsibility for or on account of such Trust so attempted to be created

5 That under the fifth Section of the will the trust is void and the said Complainant Surviving trustee is discharged from all responsibility inasmuch as by law the property thereon bequeathed in trust for said Lucy, were Chattels personal and being bequeathed by such words as would create a fee tail, by the laws of this State vests in her an absolute Estate

6 The Jury are of Opinion that altho under the second Section of the Codicil land was given in Trust for Polly Watkins during her natural life & then to her issue which would by the Statute de donis give her a vested Estate tail; and in this State a fee Simple, yet it would seem that taking all the will together, and especially regarding the terms of the fourth Section the Testator intended that this should be a vested an Estate for the encumbrance of said Polly Watkins and her Children seperately (and therefore is not an use executed but an exception out of the Statute of uses) We therefore decree that the Complainant Surviving Trustee do hold the same during the life of the said Polly Watkins & the rents issues and profits thereof apply to the support of the said Polly Watkins & her Children seperately and at her death that he surrender the same to their Children

Friday 4th March 1825

to be by them held and enjoyed absolutely in fee Simple as personal when the Trust so Created Shall Cease

7 The Special Jury further decree that the said Complainant surviving trustee doth take the negroes given in trust for the (said) Polly Watkins and her Children in the fourth Section of the will or Such as are Changed for them (in any) after part of (said) Will or Codicil, and the same do use and appropriate at his discretion for the Seperate maintenance of the (said) Polly Watkins and her Children during the natural life of said Polly and at her death the Same to deliver to such Children in person or to their Children per Stirpes in Case of the death of any such of (the) Children absolutely, equally to be divided, when the trust Created and the Responsibility of Said Trustee Shall Cease

8 The jury decree in regard to the devises to the issue of Lucy and Polly daughters of the Testators in the Seventh Section of the will that they are trusts in Equity for the period therein mentioned and not were executed, (and) that the (said) surviving trustee do retain the legal title for a Term of years (and) the issue of Lucy and Polly daughters of the (said) Testators, after the expiration of the Term to wit when each Child Shall attain the age of Forty five years such Child Shall have a rateable part absolutely and the Trust Cease and was further decree that all money expended by the Trustee for the benefit (and) preservation of the said trust or any other herein and hereby established & confirmed Shall be chargeable on the trust Estate (and) paid out of the rents issues & profits thereof

9 The jury decree that the sixth Section of the Codicil is inoperative & Creates estates tail which by the laws of this State are converted into & held as Estates in fee Simple

10 The Jury decree that the Complainant surviving Trustee, is not trustee nor accountable as such for the Children of such devisees as are dead in Cases where by this decree and the Opinion of the Court such devisees so dead taken an absolute or fee Simple Estate & interest

11 That so much of the bill of Complainant as relates to the manner in which the land shall be divided between Jeremiah Lucy & Polly be dismissed there being in the Court now pending another bill embracing the same point

12 That the Costs hereof be paid by the Complainant
