I H. Strickland Jr, being of sound and disposing mind and memory and desiring to dispose of the property with which kind providence has blessed me do make this my last will and testament, hereby revoking all other wills heretofore made by me,

Should I owe any debts at the time of my death and my Executors should think best to carry these loans from year to year I authorize them to do so, that is, to say I do not wish my Executors to have to see off property to pay all my debts within twelve months after my death unless they think it is best to do so, but may carry any loans or debts and keep the interest paid up, until they should think best to see off enough property to pay the same, Anytime it may be necessary to sell any property either real or personal for the purpose of paying debts I authorize my Executors to sell the same at either public or private sale and to make conveyances or deeds to the purchaser without any order of court, and I authorize them to sell such property as they may think best.

This amount to be used and expended for them by my Executors without the interuption of any Guardian, from time to time as they may need it for this purpose. I am doing this for the reason that my other children have been given a good education and I desire these two made equal in this respect.

I will and direct that all the remainder of my property, after paying debts and after paying the two One Thousand Dollar Legacies as provided in item three, shall be kept together and managed by my Executors until my youngest child shall become twenty one years of age, & direct that all the income and profits from said property so kept together, after paying taxes, necessary expenses, repairs & etc. shall be used for the support and maintenance of my wife and minor children and any of my other children who may be of age and unmarried and who are living with my wife and minor children as one family. It is my hope that the income from this property together with what income my wife and said children may have from other sources and what they can earn from good management will be sufficient for the support and maintenance of the family, but in the event it should not I authorize my Executors to sell off any property and use the proceeds for the support and maintenance of the family, after having first applied by petition to the Ordinary of Gwinnett County, setting forth all the facts and getting his consent and approval to sale of any property for this purpose & that the Ordinary will direct investigate the matter and grant or decline such order as he may think best. Item 9th

I am now Executor of the last will and testament of my sister, Rebecca Bird. Should I die before this estate is wound up I direct that my Executors carry out her will and complete the administration of that estate as I am advised that they will become the representatives of her estate by reason of their appointment as my Executors as herein.

Item 10th

I am administrator of the estate of my father, Henry Strickland. By reason of the fact that there are certain reversionary clauses in deeds made by him to his children the administration of this estate has extended over a period of several years. Should I die before this estate is finally wound up I request, if agreeable, that my Executors be appointed by the Ordinary as administrators de-bonis-non of that estate so they can take my place and complete that administration.

Item 11th

In order to raise the money for the purpose of paying the two legacies given to my son, Charlie Strickland, and my daughter, Ellyn Strickland as provided in item three of this will I authorize my Executors to sell such property as they may think best, they having the right to sell the same at either public or private sale without any order of Court.

Item 12th

In giving my Executors the right to sell property at either public or private sale as provided in this item for the purpose of paying debts, the two specific legacies, the distribution or any other purpose it is my intention to expressly give them the right to make any of the sales without the orders of the

Court, except where they are ener
ing on the corpus of the estate fo
the support of the family as provid
in item four of this will.

M. Guess.

I, James M. Guess, of said State
and County, being of sound and dis-
posing mind and memory do make

revoking all wills heretofore made
by me.

Item 1st.

I wish my executor as soon as
possible after my death to pay my
debts, leaving it to my executor to be
charge the same out of any money
I may possess at the time of my death
or from the proceeds of property as he
judgment may dictate, looking solely
to the interest of the parties interested
under this will, as to what property
shall be sold for this purpose.

Item 2nd.

I give to my dear and beloved
wife, Lenora Guess, all my earthly
possessions, including real estate,
money, personal property, promissory
notes, accounts and other choses in
action, including any securities by
way of deed, or mortgages to secure
said notes which I may own and
possess at my death; same to be held
for and during her natural life
or widowhood, my purpose being
that my said wife shall have, enjoy
true and full power over all of my property
of every kind and description, land
and during her natural life or wi-
dowhood only.

Item 3rd.

It is my desire and will in the
event that my said wife should mar-
ry again that my wife's life estate in
and to all of said property shall im-
mediately terminate and that said pro-
perty shall then be divided equally
between her and my two children
namely, my daughter Nancy Estes
Guess Baxter, and my son Lare Guess

Item 4th

It is my will and desire in the event my said wife does not marry again that at her death all of my said property then left and which my said wife has not consumed for her support, comfort and maintenance shall be equally divided between my two children above named, the issue to be then and there forever and absolutely their's.

Item 5th.

It is my will and desire and I do direct that what money which I may own and possess at the time of my death shall be loaned out to responsible parties, who are required to give land as security for said loans. I direct that my executor when making a loan to give deeds of security for the same giving the borrower a bond for title and that all papers necessary to make each loan, including the note and deed, be in the name of my executor, who is hereby authorized and empowered to execute all deeds and bonds for title and other documents necessary to perfect said loans under the laws of Georgia.

Item 6th

It is my will and desire and I do direct that my executor appointed hereinafter from the income hereof pay all the cost and maintenance. If this be not sufficient for this purpose, it is my will and desire and I do direct that he apply the income or rents, issues and profits from all of my other property for this purpose. Of the property that be maintained and protected carefully from these two sources of revenue then she is at liberty to use any of the corpus of the estate for her support and maintenance.
