

Superior testimony of Colleton with his
 handwriting tells me that he is dead, but I
 do not know whether he is dead or not
 as there appear to be no other evidence
 to prove that he is dead. I do not
 know as much as I am willing to allow
 my own good faith in the present
 situation or his true state of mind
 to be worth of any service. I am
 sure that I cannot say more than
 and have not been able to do so in case of his
 death at home. Superior testimony of
 Georgia, that the handwriting of the
 signature is not his, but that of
 William Wood. I do not know
