Wm Nolan Ordinary

In the name of God, Amen!
I, John Wade, a citizen of the County of Henry, and State
of Georgia, now in the eighty-fifth year of my age, and in (as I
feel and have good hope to believe) the fifty-fifth year of my Chris-
tian pilgrimage; inspired in body, thought and strength of mind, do make so-
lemn & declare this instrument, to which is willingly and voluntarily
my directions to be my last Will and Testament, revoking all other
Wills. My desire, and I do hereby direct that
When this state of existence is ended, with me, that I be interred in a
manner as plain as is consistent and practicable.

Item. Of my dearly beloved wife, Rachel Wade, I give and be-
queath, the use, profit and benefit of my whole Estate, real &
personal, for the term of her natural life, to be used and man-
aged during such period, as her judgement may dictate.

Item. Upon the decease of my wife, if it be my desire, that
my estate, real and personal, (for the term of her natural life) be
equally divided among my children, except such parts that
be as are hereinafter specified and bequeathed.

Item. As a testimony of my sense of his attachment to
me, and for his faithful services during my afflictions, as well
as those of my family, and for and consideration (as I regard
it) I do hereby recompense, & direct of the proceeds hereto attached

James Lane

I give and bequeath to Primm, (once recognized and known as my prop-
erty, by the laws of the Commonwealth of Georgia, but lately freed by the same)
his heirs and assigns forever, twenty five acres of land, (my homestead,
more or less, beginning at the South East corner of lot 26, 189, of
Savannah District, running to the center of the lot, thence, cornering,
and running due north fifty five rods, thence cornering, and running
due east to the original line, running from North to South, thence
along said line to beginning corner. I stipulated, however, that the
said Primm, should not withhold such service, but continue to
wait upon, take care of & maintain myself and wife, during our
natural lives.

Item. In addition to the above twenty five acres of land,
and upon the above conditions, I give and bequeath
to the said Primm, one year's support to one young cow and calf,
one sow and pigs; one ox, (now being raised, and which said
Primm is to break) and all the farming implements of which
I may be possessed; also the entire kitchen furniture. And
I now do most earnestly, and pointedly enforce it upon the
survivors of my Executors, hereafter named, that all and sin-
gular the claims relative to Primm be religiously fulfilled
without delay or evasion, or neglect, at the epoch at
which they are to take place.

Lastly I constitute and appoint my dearly beloved
wife, Rachel Wade, the Executrix of this my
last Will and Testament; she to choose an Agent or trustee, at her
discretion. In testimony whereof, I hereunto set my hand
and seal this the seventh day of February, one thou-
sand eight hundred and sixty seven.
