In the name of God Amen.
 Jackson County & I James Nash of the County &
 State of Nevada being of sound mind & memory
 do hereby make this to my last will & testament
 that 1st It is my will & desire that my last
 debts be paid first - 2^d I leave to my beloved
 Wife Margaret all my estate of which I now am
 a holder may be possessed both real & personal
 during her natural life a widowhood for the purpose
 of her support & maintenance & should my
 Wife Mary after my decease my will is
 that all my estate then remaining be equally
 divided between all my children & my wife with
 the qualifications & exceptions herein after specified
 And it is my further wish that my wife should
 only hold a life estate in the divided & in
 them and at her death to be equally divided
 among all my children

I It is my further will & desire that at the
 death of my wife if she should survive me
 that the premises upon which I now live including
 the bounty of land which I first bought & supposed
 to contain two hundred & eighty seven ^{four} half acres
 and the dwelling house ^{not} shall be divided but shall
 remain in the possession to their use & enjoyment of
 my unmarried daughters during their lives or long
 as they remain unmarried to their & the same
 a survivor of them that certain unmarried as
 aforesaid and each unmarried daughter as afo-
 said shall have one good & other head of cattle
 and a stock of Black cattle also make them
 equal with those that are married and I will
 & for my son Newborn Nash equal interest in
 the above named premises during the life & issue
 of the surviving unmarried daughter &
 daughter at the termination of the life estate of
 the last named survivor the said property

as well as the remainder of my real estate shall be equally divided between my then Son James Gabriel Pember William & John of my Son John Nash provide the life or widowhood estate of my wife has terminated giving my Son Richard the preference & choice of the dividend provide the said Gabriel Pember William Nash or the him of my Son James Nash shall recede to my oldest Son Elijah Nash ten hundred Dollars It is not intended by giving my said two the premises above mentioned in the manner aforesaid to exclude them from their equal part of my personal estate when the same is divided in terms of this will and is it ^{otherwise} intended that my Son James shall have a life interest in the part or dividend that falls to his heirs &c It is to be specially under stood & each is in intention that the legacies contained in this will is not to revoke or set aside certain deeds or testamentary papers which I have made in favor of some of my children & now in my possession (the effect at my death or file as in)

Lastly I constitute & appoint my Son Gabriel Pember Nash Executor of this my last will & Testament & also Guardian of the heirs of my said

In Witness whereof I have hereunto set my hand & affixed my seal this sixteenth day of April 1836 The words "tho & that"
