Jasper County Ga. having in consideration the uncertainty of life  
and the certainty of death do make and ordain this my  
last will and testament, taking into consideration all  
my worldly concerns, as it hath pleased God to fix me in  
His hearty wish and desire for my worldly affairs to be  
conducted as follow &c  
First I desire all my last debts to be settled up as soon  
as possible.

Secondly I desire for all my property and possessions to be kept  
together and carefully managed and conducted for the  
benefit and support of my wife and children until  
they become of age or have a need of their share  
of the estate then for the whole of the personal  
property to be appraised by three or more good men  
in each child to draw its share for debt allowing  
the five hundred dollars more on the personal  
property than is agreeable to the increase or  
decrease of the property of children from the present  
time till then —

Thirdly all my landed property I give to my sons to be  
divided between them if they live to come of age  
if either of them should decease before he becomes  
of age then one half of my lands to be divided between  
my daughter with the deduction of the five hundred  
dollars extraordinary of the personal property.

But if no son should survive then the whole to be  
equally divided with the daughter agreeable to appraisement.

Fourthly I will and desire for my wife Hannah

as she continues in her widowhood; but when she  
marries I give unto her one negro boy named Jo,  
the boy a man worth worth \$75, one feather bed  
with furniture, one chest or trunk, one saw & salt
