State of Georgia To the Honorable the
Jefferson County Ordinary of said County.

We the undersigned Distributors, appointed to distribute the Real Estate of Thomas and Mary McBride late of said County deceased, report, that we met at the late residence of said deceased, on Thursday the 23^d inst. that is Jan^y 23^d 1873, for the purpose of discharging said duty, after having given the parties at interest the legal notice, and having taken the oath prescribed by law, and having employed J. B. Atkins County Surveyor to assist us, we proceeded in the following manner. The Administrator of said Estate furnished us with a plat or so fully representing the land that we did not deem it necessary to make a survey, by the said plat there appeared to be two hundred and forty two (242) acres. As there were four Distributors, we directed the Surveyor to divide said tract into four equal lots of Sixty and one half (60 1/2) acres each, and numbered said lots beginning on the South side, one, two, three & four.

We then proceeded to value said lots as follows:

" No. 2.	" " " " " "	121.00

		<u>484.00</u>
		4) 1028.00

One share in Money — \$257.12 1/2

We then proceeded to assign the Lots in the following manner. The names of the Legacies were written on separate pieces of paper and folded of the same size and placed in a hat, and the numbers were likewise written on separate pieces of paper and placed in another hat, the hats being mixed, the hats were then well shaken and a name drawn from the hat containing the names, and a number from the hat containing the numbers and the result noted, this process continued

until all were drawn with the following result.
