Liberty County

In the name of God. Amen. I William Tanner, being sane in body and in mind, do constitute and make this my last will and testament. First, It is my will, that my estate be all kept together, and worked on one of my plantations tracts of land, at the discretion of my executor, under the direction of three of the Judges of the Inferior Court, that shall at that time, or at any other time, be in office; and when my executor or executors shall die, then it is my will, the Judges of the above Court shall appoint another executor or executors, as they shall or may think proper to do to execute my will. Secondly, It is my will, that after my negroes are clothed, and taxes are paid, if there shall be an overplus of money on hand to school or educate my grand-children, then, at the discretion of my executor and the Court, they may educate them. Thirdly, It is my will that my negroes shall be carried to my land on the Chatahoochee River in Early County, and there build, clear and fence, and plant, and rent to the highest bidder. Then remove my negroes to my other land in Early County, there build, clear, and fence, and plant, and rent, as my executor may think proper, or as the Court in that County may think proper. The Inferior Court shall and are authorized to discharge any executor, and appoint another in their room to execute my will for the benefit of the poor old man or woman that shall or may be in the County of Liberty or Early, after my negroes are well provided for. Fourthly, It is my will, that Matthew Jones and his present wife, and Miss Temperance Whidden, shall be given all the assistance the profits of my estate will admit of, and after the marriage of Miss Whidden her portion shall cease, and be null and void. And it is my will that two of my plantations be rented out to the highest bidder to answer all those above purposes. And my negroes shall be worked on the most profitable plantation, at the discretion of my brother Samuel Tanner, who is now in possession of them. It is my will that he shall, while he is living, keep charge and take care of all of my property, both real and personal, so long as he shall live, and record in the Probates Office all his proceedings at the Examination of Court; and should the Court find by his management that he is wasting or mismanaging my estate, the Court in the County where he shall reside, shall take it out of his hands.
