I Lydia Taliaferro, of the County of Tattnall & State of Georgia, through the mercy of God being of sound mind, and having the perfect use of my reason, do make and declare this my last will and testament in manner and form following, viz. Unto my daughter Sarah Jones, with whom I now live, I give the use of all the property which I may be possessed of at this place, viz. one negro fellow named Jim, one black horse, together with my clothing, furniture, &c. for her to keep in possession during her natural life, and to have the free use of said property for her own individual use and support; and at her decease said property to be given to her offspring, if any she have, and if she should die leaving no offspring, said property is, at her decease, to be equally divided among my other three children, Benjamin, Lydia & Mary. — I wish to be understood, that said property is to be disposed of for no other purpose but for the support, and at the request, of my said daughter Sarah Jones. — And whereas there are sundry debts for money lent, &c. due me, and a suit depending respecting the estate of my last husband, it is my desire, that all monies which may hereafter be collected for me, or on my account, from said debtors, and also all monies that may be obtained from the said estate, shall be equally divided among my four children, Benjamin, Lydia, Mary & Sarah.

And I do hereby constitute and appoint Matthew Jones and William Whiddon executors of this my last will and testament, revoking all others.

In witness whereof I have hereunto set my hand and seal, this eighth day of December in the year of our Lord one thousand eight hundred and twenty three.
