

In the name of God Amen I Mary Ann Fraser, of Liberty County, State of Georgia, being sick of body, but of sound mind and memory, and calling to remembrance, that it is appointed for all men once to die, do make my last will and testament in the manner and form following. The first, I give my body to the earth, to be buried in a decent and christianlike manner, at the discretion of my uncle, William Oggood. My soul I commit to God, who gave it unto me. I give my part of the property, which was left me by my husband, to my son Andrew D Fraser, to him and his heirs forever. If he should not arrive to the age of twenty one, I give it to his grand mother in Scotland. I wish, before any of my property be divided, I wish five hundred dollars to be given to charitable purposes for the spread of the gospel. All the property that I possess before marriage, and the increase, I wish equally divided between my son, A Fraser, and William Oggood, except the land, which I give to my son. Should he not arrive to the age of twenty one, I wish the land sold, and the money to be spent in charitable purposes. Should my son not arrive to the age of twenty one, half of the property that I leave him, which I had before marriage, I wish given to my uncle, William Oggood; the other half to be appraised, and my uncle, Wm Oggood to have it, and pay Abel Wynn the amt. of it, in money, in the course of five years. — I do hereby revoke & disannul all other wills or testaments, whenever, approving and confirming this my last will and testament, whereunto I have set my hand & seal, in confirmation thereof, this 21st day of June 1822.
