Memorandum made by Elijah Clarke this
 3rd day of March 1799 That if I the said Clarke
 should die without making a last will and testament.
 It is my wish and I do hereby give unto my son
 Elijah & Gibson Clarke my own plantation to be
 equally divided between them according to quantity
 and quality except some small part I may hereafter
 direct to be taken off. The tract of land now in dispute
 between me and Wm on fishing Creek I give unto
 Edmund Maunger if moved together with two hundred
 acres known by Shannons old place on the river; if
 that land should be recovered by Wm the balance of
 the tract he is to have which is two hundred acres lying
 between and Shannons tract

Lincoln County Wills 1796-1800, Series 1, Claim

Together with two hundred acres off of the river tract and that the titles to the three different tracts are to be made to the said Edmund Mowrer under the foregoing circumstances.

I give unto Elijah Cloke the following Negroes to wit: Randol, January & Bill.

I give unto Esb, on Cloke the following Negroes to wit: Henry, Pompey & Dinah. all my back lands and lands in the low country I wish sold to the best advantage together with my lands in Washington and Montgomery Counties and the monies arising therefrom to be appropriated towards the discharge of my debts and if after my debts are paid there should be a balance I wish it divided equally among my children. This I wish done as soon as possible I wish my Executors to sell the lands at private sale or other ways. and convey titles in any manner they may think most advantageous. All the remainder part of my Negroes I wish equally divided between my children at the discretion of Mr. Cloke together with Stock &c.

I wish Mr. Cloke to stay on the plantation with the Negroes until Elijah and Esb on Cloke comes of age at which time they are to receive their respective shares. and she is then to continue during her life if she chooses the two hundred acres of land where Josiah Walton now lives is to be included in the division of Negroes at the death of Mr. Cloke. It is my wish that Elijah & Esb on Cloke may have liberal education and that the profits arising from the plantation and Negroes may be appropriated that wayward Charles wish Esb on to continue at school until he is two or three and twenty years of age my being moved with present may arrange them in their progress for a year or two but the profits arising from the plantation will run itself clear itself.

I wish my son John Cloke, Benjamin Smith, Charles Williams and Edwin Mowrer to be my Executors to carry the foregoing Memorandum completely into effect.
