

See 30th p. 10th

Thompson & Mapp 66
William C. Brown

The image shows a document page that is extremely faded and noisy. The text is mostly illegible due to the quality of the scan. There are several lines of text visible, but they cannot be transcribed accurately. The page appears to be a letter or a report, with some headings and body text. The overall appearance is that of a very poor quality photocopy or scan of an old document.
