State of Georgia Muscogee County

I, Thomas P. F. Thrower, a citizen of said County and State, now being in Ordinary good health, and of sound and disposing mind and memory, and knowing the uncertainty of life, do make, publish and declare, the following as my last will and testament, hereby revoking all other wills heretofore made, published and declared by me.

Item 1st. I do hereby instruct and direct my Executor to pay out of my Estate all my just debts, as soon as it can be done.

Item 2^d. It is my will and I hereby direct that my wife shall have a liberal support out of my Estate during her natural life. It is also my will and I so direct, that my wife keep my youngest daughter Susan Henrietta with her, to board, clothe and dress her, and to pay all her necessary expenses, as I have heretofore done, out of the proceeds or income of my Estate, until she is married, and after her marriage to give a Piano, (if she does not receive one from me, or from my estate before them) And also to give her the same quantity of furniture as I have given to my other two daughters, at or after marriage. And I also will and direct, that if it should be agreeable to my wife, my said daughter Susan H. after marriage shall with her husband, live and board two or three years with my wife, none of these things to be charged to my said daughter Susan H. at the division of my estate. My other two daughters having with their husbands lived with me that length of time, free of expense to them.

Item 3^c. It is my will, and I so direct, that after my death, and my just debts are paid, that so much of my estate as can be spared, leaving a sufficiency for the liberal support of my wife, shall be equally divided between my two youngest, Sarah Caroline and Susan Henrietta, I give this alone to them as I have already given to my oldest daughter Mary F. Chambers full nine thousand dollars worth of property heretofore.

Item 4th. It is my will, and I hereby direct, that at the death of my wife, the balance of my estate shall be equally divided between my three daughters to share and share alike, each one in the division to be charged with the amount she has already received, at and before the division, I mean out of my estate, either before, or after my death. In a word I do not wish a dollar difference in what they each receive out of my estate. In this last division of my estate, it is my will and I so direct, that Sarah Caroline and Susan Henrietta, my two youngest daughters, shall each receive Nine thousand dollars, either in money or property before my oldest daughter Mary F. Chambers receive any thing as the last, Mary F. C. has already received from me that amount, say Nine thousand dollars. After the two youngest receives the same amount, then the balance of my Estate, I will and hereby direct, shall be equally divided between my said three daughters viz Mary F. Chambers, Sarah Caroline Moffett and Susan Henrietta Thrower to share and share alike.

Item 5th. It is my will, and I so direct, that any and all property of whatever kind, which my daughters shall receive after my death, from my Estate

shall be held to, and for their sole and separate estate, we and bequeath, as
their sole and separate Estate, independent and free from liability for the
debts or contracts of any husband any of them may now have, or may
hereafter have, and at the death of my said daughters, or any one of them
the said sole and separate Estate, shall go to and be equally divided
among her children, share and share alike, to have and to hold to them
their heirs and assigns forever. Provided however that the husbands of
my said daughters may use and manage the property belonging to the
wife of each of them, for the use benefit and support of the family. And as
circumstances may make it necessary to sell said estate, or some part thereof
for the benefit of said Estate, and the parties interested therein. It is my wish
and I hereby direct, that an order or decree authorizing the sale of the
same, shall first be made by a Court having legal jurisdiction over trust
Estates, and that the title to all property which may be acquired by a re-
investment of the funds arising from the sale of the same, shall be taken
with the trusts and conditions herein expressed, so to make the same
a sole and separate estate as aforesaid.

Item 6th I do hereby constitute and appoint my wife Anna W. Thoreau Executrix
of this my last will and testament, who is authorized to take the full control and
management of my estate as herein provided, without giving bond and security
in any jurisdiction whatever, and my said wife is at liberty to give any small
presents to either of my children or grand children as she may wish out of
my estate. Should my wife at any time desire the advice of my Son
in law or Sons in law in the management of my estate, I hope and trust
they will give it to her.

In testimony whereof I have hereunto set my hand and affixed
my seal this 18th day of March 1871

Codicil to Thomas P. F. Throop's Will

This Codicil is a supplement to my last will and testament as made and executed the 18th day of March 1871.

Item 1st. It is my will and desire, and I do so direct, that all references made in my said will in Item 2^d and 3^c giving to my wife Ann. T. Throop a liberal support during her natural life out of my estate, be and the same is hereby abrogated and annulled, and instead of this support, it is my will and desire, and I do hereby direct, that after my just debts are paid out of my estate, that the balance of my property, both real and personal, I do hereby will and direct, that my wife shall have and use for her sole benefit and support, during her natural life, and after her death the same shall be divided as directed in Item 4th of my said will, of which this is a Codicil with this difference that the said Sarah Caroline and Susan Henrietta my two youngest daughters, whose names are mentioned in this connection in said Item the 4th of my said will and testament, of which this is a Codicil, shall each receive Five thousand dollars instead of Nine thousand dollars, as directed in my said will, in Item the 4th of my said will to which this is a Codicil, then the balance of my Estate be divided between my three daughters viz Mary Fontaine, Sarah Caroline and Susan Henrietta, to share and share alike.

Now I make this change in the amount I wish my two youngest daughters to draw, in consequence of the great depreciation in the value of all property both real and personal, which has taken place since I made and executed the said will, to which this is a Codicil, as I do not wish to make any difference in the amount of property I give to either of my children.

In making the change from a liberal support, to the giving my wife my whole estate during her life time, I do this as I fear that there may be some trouble or misunderstanding in it, so that in reality my wife might be deprived of a liberal a support as I wish her to have out of my Estate. My wife and myself have labored and toiled together to try to gather up something for our support in our old age, and I will not, if I know myself, deprive her of that support, which ever have toiled together to make, which particular says she shall have and which she shall receive if my Estate will turn out
