I, William E. Parramore of the City of Columbus Muscogee County Georgia being of sound and disposing mind and memory and being desirous to settle my worldly affairs while I have strength so to do, do make, publish and declare this my last Will and Testament, hereby revoking all wills by me heretofore made.

First Item: I commit my soul to God who gave it; and I direct that my body be buried in a Christian like manner, suitable to my circumstances and condition in life. And my worldly Estate I dispose of as follows:

For the natural love and affection that I have alike for each of my six children, whose names and ages are as follows: Laura Jane Parramore born November 9, 1845. John Robert Parramore born Febry 24, 1848. Mary Francis wife of Clements born Febry 8, 1850, James Augustus Parramore born Decr 27, 1857, Emma Rebecca, wife of John Chancy born March 15, 1854, and Sophronia Elizabeth wife of George Yanbrough born July 12, 1857. I will and bequeath to each, one sixth of my whole Estate, share and share alike, without regard to any amounts I may have at any time heretofore paid to or advanced to any of them, it being my will and desire to divide equally between all of them the Estate I may own at the time of my death.

Second Item: It is my will and desire that my Executors hereinafter named shall so soon as practicable after my death sell all my property both real and personal (except my stock in the Eagle & Phoenix manufacturing company) which stock is hereinafter disposed of in another Item of this my last will. And after selling my property real and personal, which I direct be done without any order of Court.

(except my Factory Stock), and after I have paid the just debts that I may leave unpaid. And then divide the remainder equally among my six children as before named. The portion or any child's part I do hereby declare to be for the benefit of any female is intended to be for her own sole and separate use free from the control of any husband, and in no event to be subject to his contracts, debts or liabilities, and at the death of any of my said daughters, then the mother's portion to go to her children, but if any of my children die leaving no child, or children surviving them, then and in that event their one sixth or child's part of my Estate is to go to and be divided equally among my other children and representatives of children.

Third Item: It is my will and I so direct and require my Executors and the Trustee I shall name and designate in another Item of this my will to take control and management of my stock in the Eagle and Phoenix manufacturing Company, which stock consists of Thirty thousand dollars of the Original Capital Stock of said Company, out of which I will and bequeath to each of my said six children the sum of Five ^{thousand} dollars subject to the terms and the directions given by this Will to the said Trustee who is to hold, manage and divide the dividends from said stocks among my children and Grand children until the time arrives for the final distribution of the youngest child's part.

Fourth Item: I nominate and appoint my friend Alfred J. Young of Columbus Ga as the Trustee for my said six children so far only as to the control and management of that part of my Estate known as the Thirty thousand dollars invested in the Capital Stock of the Eagle & Phoenix manufacturing Company and I hereby empower, authorize and direct said A. J. Young as such Trustee and I so will and direct that said Thirty thousand dollars be kept invested in said manufacturing Company in Trust for my said six children and Grand children as now invested. Each dividend declared by the Company on the stock I direct my said Trustee to draw and pay over to each of my children, or representative of children their one sixth or child's part to them personally taking receipts for the same and not to recognize any sales or transfers made by my children or Grand children of any of their interests in said Factory Stock or its dividends to any persons whomsoever, until my oldest daughter Laura Jane Oneal wife of S. B. Oneal shall arrive at the age of Forty five years old, at which time, provided she has at that time any living children, she may draw out One sixth part of said stock for her own and her children's use. But if she has only one child then living she may draw out only the sum of Three thousand dollars for herself and such child leaving the two remaining thousand dollars of that one sixth or child's part to be divided equally among the children of such of my children as may at the age of forty five years have living more than one child. And likewise with each of my said daughters as they arrive at the age of Forty five years and have at that time any child or children living may draw out or sell for their own use and such child, or

children their one sixth or child's part of said stock until the youngest daughter becomes of said Forty five years of age, and the last child's part is divided then said Trusteeship shall end.

I also will and direct that the one sixth or child's part of my said Factory Stock bequeathed to each of my said sons shall be divided in the same way and upon the same terms and conditions of my daughters, except each of my sons may draw out or sell his part at the age of Forty years.

I also will and direct that in the event of the death of any of my sons or daughters before they arrive at the age of Forty for sons and Forty five for females leaving no child or children surviving them then I bequeath and direct such child's part be divided between the surviving children and representatives of children.

Fifth Item: It is my will and I so direct that in case any of my said children shall die leaving children surviving them, before they arrive at the ages of Forty five for girls and Forty for sons then I hereby appoint my said Executors the Guardians of any and all of said minor children and the legacy under this Will going to such minor children out of said Factory Stock shall be held by said Executors as such Guardians under the control of said Trustee and to remain invested in said stocks until such minor children shall arrive at the ages of Twenty one years. Each dividend to be applied to the board, education and maintenance of such minor child or children.

Sixth Item: It is my Will and desire and I do hereby nominate and appoint my two beloved sons John R. and James A. Parramore as my Executors of this my last will and testament and each one of them is to receive as compensation for the faithful execution of the trust I hereby repose in them the sum of Five hundred dollars to be paid out of any of my Estate except Eagle & Phoenix Factory Stock. And said Five hundred dollars to each of my said Executors shall be in lieu of commissions and charges for extra service in closing up my said Estate which I direct they may do without giving any Bond or security for either as my Executors and Guardians of any of my Grand Children.

Seventh Item: It is my will and I so direct that in the event of the death or resignation of my Trustee Mr A. J. Young then I authorize him to name and appoint his own successor, and if from any cause no person is acting as such Trustee then I nominate and appoint my two sons or either of them to act as such Trustee for the benefit of my said children and Grand Children.

In witness whereof I have hereunto set my hand and affixed my seal at the City of Columbus this the first day of May in the year of our Lord one thousand eight hundred and seventy eight.
