Georgia I am now in a low state of Health
Newton County, but in my proper mind, do make this
my last Will and Testament after all of my debts
are paid.
I do bequeath to my beloved wife, all the balance
of my property during her Widowhood, and then for an
equal division to be made between the heirs of myself
and my beloved wife, and my Will is that William
Wallis and Mosley Polson be my executor to act
as they think best for the Widow and orphans so as to
make a support for the Widow and orphans and to
Educate the orphans, and my Will is further that my
Wife shall give to our children, as they become
of age or more of so much of the property as the
Executors and my Wife shall see that they can hold out
to give to all of the rest, after raising and Ed-
ucating of all the rest of the orphans, and a support
for my Wife during her Widowhood, and that there
shall be a receipt kept of all that is given to the
heirs agreeable to my Will.
