## **The Plantation**

**L**A'TELY occupied by the Rev. Thomas Polhill, dec. called Newington, containing between three and four thousand acres of Pine, Oak & Hickory and Swamp Land—the buildings which are as good as those of any other in that neighborhood, are situated on the road from this to Savannah, eighteen miles above the latter place—through it runs a bold tide creek, navigable for lumber rafts and boats; there are about four hundred acres of cleared land, adapted to the cultivation of Corn, Cotton, Rice and Sugar Cane, together with an abundance of Lumber of every description that this part of the country affords. On the 22d of the same month will be sold, 1000 acres of pine land in Burke county, on Brier creek, near Farmer's bridge; the pine lands in this part of the country are so well known to be good, that it is unnecessary to give a description of it.—Terms will be made known on the day of sale—they will be made easy to purchasers.
