

In the name of God Amen

I Freeman Walker of the County of Rich-
mond State aforesaid, being weak of body but of sound and disposing mind
and memory Do make this my last will and Testament in the
manner following

In the first place - It is my will and desire that all my just
debts be paid as speedily as practicable after my death - and
for this purpose, I hereby Vest my Executors hereafter to be named
with full and ample power and authority to sell and dispose of
any part or portion of my real or personal estate, without being
under the necessity of applying to any Court of Ordinary or any
other Court for leave to sell - and what my Executors shall
so sell - I hereby authorize and empower them to convey

them. After my just debts are paid - whatever remaining of
my Estate, whether real or personal, ready money or evidences
of debt or of what matters kind or descriptions (except my
library should that not have been sold) I give devise and
bequeath to my beloved wife all my farthinged stock, and
my two youngest children, Sarah Wyatt Elmer & John David
Walker, to them and their heirs forever, equally to be divided among
them share and share alike - In making this disposition of
my property, I intend no disrespect to my three eldest children
George Augustus Beverly, Ann Eliza Amender, and William Henry Talbot
Walker, all of whom I love as a father should do. But they have
already had advantage, which I fear cannot be afforded to the
younger children - two of them have already been educated, and
all of them have property more I fear than will fall to the share of
a portion of my wife and two younger children - Of however
contrary to my expectation my Estate after my debts are paid
should be sufficient to give to my wife and two youngest chil-
dren before named, property money more than equal to what
my three eldest children possess - It is my will and desire that
the ~~same~~ be equally divided between my wife and all my children
as to make the property of each equal to that of the other as far
reproducible -

If it should not have become necessary to sell my Library for
the payment of my debts - it is my will and desire that my
son George Augustus Beverly Walker should have my ~~own~~ library
and I hereby give and bequeath the same to him his heirs
and assigns forever

To my son William Henry Talbot Walker and to his
heirs and assigns forever - I give and bequeath

Historicals and Miscellaneous Library

Lastly I constitute and appoint my son George Langston
Bewley and my brother Valentine Walker Executors of my
last will and Testament

In witness whereof I have hereunto set my hands and affix
my seal this tenth day of July 1827
