Item 1st. I desire and direct that my body be buried in a decent and Christianlike manner, suitable to my circumstances and condition in life. My soul I trust shall return to rest with God who gave it, as I hope for eternal salvation through the merits and atonement of the blessed Lord and Saviour Jesus Christ — whose religion I have professed.

Item 3rd. I give and bequeath to my beloved and affectionate wife the home and lot in which I now reside in the city of Macon and all the land thereunto belonging, which lay on the north eastern side of the Macon & Western road for and during her natural life — with full power to dispose of the same by will or otherwise. This is given in lieu of all my wife's other interest in my other lands and real estate. I give and bequeath also to my wife one fourth part of all my negroes, she having the power to select such negroes as she may think will best suit her — reference being had to their value, and keeping the families of my negroes together — and at the death of — wife it is my will that all the negroes and their natural increase shall revert back and become the absolute property of my children living at the time of my wife's death and in case any of my children should depart this life before my wife's death, then my grandchildren shall inherit the share to which their mother would have been entitled had she been living. My wife has only a life interest in the negroes given to her in this item. I give also to my wife absolutely one fourth part of all my feeble property.
