Case 13 Thompson set in P. Lockette and George Swig
to have eagle design to it in the W.H. as to my suggestion
of the eagle and the tail they said the other names have
to improve before you may have one done so soon. He nothing
of me at all during our time out and I statement and that all
the men I know design (in their opinion) of mind & thinking
as in your case as we are not stand in his favor, and
he known I had other big name like you for the making
of the eagle and
