P R E F A C E .

With this seventh volume of Somerset Marriage Registers the total number of parishes dealt with in this County now amounts to fifty-nine.

The first two Registers in this volume, Angersleigh and Pitminster, have been transcribed by Mr. Arthur Eastwood, of Leigh Court, Taunton; for the rest Mr. Seager has been responsible.

1379240

As before, contractions have been made use of—

w.=widower *or* widow.

s.=spinster, single woman,
or son of.

b.=bachelor *or* single man.

d.=daughter of.

p.=of the parish of.

co.=in the county of.

dioc.=in the diocese of.

lic.=marriage licence.

The reader must remember that the printed volumes are not “evidence” in the legal sense. Certificates must be obtained from the local clergy in charge of the Registers.

The Editors have to acknowledge the ready willingness of the Clergy in affording facilities for making the needful transcripts for the printers. Their names are given under the respective parishes. The assistance of others who may be willing to aid in transcribing Registers will be gladly welcomed, for it is only by volunteer work that it is possible to print our Parish Registers.

Volume VIII is in the Press and will be issued shortly. It is the Editors' wish to print two volumes annually, and thus to make a steady and substantial progress in the work of preserving our ancient Parish Registers from the risks of destruction or loss to which they are constantly exposed, even in the best circumstances, so long as their contents remain in manuscript only.

Marriages at Bradford,

1558 to 1812.

NOTE.—Volume I, the Register of Baptisms, Burials, and Marriages, beginning with the year 1558 and ending with the year 1653. is a parchment folio in fairly good condition. The earliest entry is dated April 12, 1558, but the earlier pages (1558-1598) are a copy from an older Register not now existing. At the foot of each page is an attestation of the correctness of the copy, with the names of the vicar and churchwardens appended—but these names were apparently all written in by the transcriber.

On reverse of blank leaf at beginning:—*Registrum nomina eorum continens, qui baptizati nupti vel sepulti fuere, intra parochiam de Bradford, à primo Elizabethe Regine usque ad quadragesimum, et ita deinceps, Quantum invenitur in primo ac imperfecto libro, tantum verè omni cura et diligentia apponitur isto, per me Johannem Thomas, vicarium, Mense Junii. Christophorus Foureaker et Gulielmus Ley Gardiani pro Anno Dni 1598.*

Volume II, thin vellum 4to with vellum cover—in good condition. Contents:—Publications of Marriages, 1653-6; Marriages, 1656-1671; Births, 1654-1660; Baptisms, 1660-1672; Burials, 1654-1672.

Volume III is a long, narrow vellum folio in vellum cover, in fairly good condition, but somewhat damp-stained, and the lower margins have apparently been gnawed by mice, and in places the ink is much faded. Contents:—Baptisms, 1672-1716; Burials, 1672-1716; Marriages, 1672-1716.

Volume IV, small vellum folio in calf—in very good state. Contents: Baptisms and Burials, 1716-1812; and Marriages, 1716-1753.

Volume V is the official folio of printed forms, dated 1754; bound in sheep—in very good state. Contents:—Banns and Marriages (together), 1754-1812.

These entries are printed by leave of the Rev. W. T. Reeder, vicar of Bradford.
