INTRODUCTION.

This Volume contains the Register of the Parish of Thirsk from its commencement in 1556 down to the end of the year 1720-21, and comprises all the entries in the first two Volumes of the Register.

I.—A book of 102 parchment leaves, unnumbered, measuring 11 $\frac{3}{4}$ inches by 6 $\frac{1}{2}$ inches, re-bound in rough leather; containing copies, made in 1600, of the 3 original paper books, continued down to 1653, as follows :

- (a) Copy of Book 1, being Baptisms, Marriages and Burials, from 20 September 1556 to 27 August 1564 : a Book pronounced by the copyist to be defective in many places but nowhere corrupt. There are no entries between 27 August 1564 and 27 January 1565-6.
- (b) Copy of Book 2, on whose accuracy aspersions are cast by the copyist; as it had long lain in private custody, the handwriting varied, and the dates were confused. The entries commence 27 January 1565 and comprise Baptisms, Marriages and Burials, down to 12 June 1578. From this date until 31 March 1581 there are no entries.
- (c) Copy of Book 3, which is pronounced to be *fide bona*, comprising the Register from 31 March 1581 to 31 July 1597. Marriages, Burials and Baptisms, are separately scheduled, and are continued down to 1653. There are the following gaps at the end of Book 3 and between the last entries of this Volume and the commencement of the second Volume of the existing Register :—Marriages, 3 February 1596-7 to 25 March 1600, and 4 June 1650 to 14 November 1653; Burials, 31 July 1597 to 18 March 1599-1600, and 26 October 1651 to 14 November 1653; Baptisms, 22 June 1597 to 14 March 1599-1600.

II.—A book of 78 parchment leaves, of which 2 are unnumbered and 8 have been cut out, with one paper fly-leaf at the end. The leaves measure $12\frac{1}{2}$ inches by $7\frac{1}{4}$ inches, in original parchment binding. This Volume contains :—

Marriages, 14 November 1653 to 15 November 1719.

Baptisms, 30 September 1653 to 22 March 1720-1.

Burials, 14 November 1653 to 22 March 1720-1.

The thanks of the Society are due to the now Vicar of Thirsk, the Rev. H. P. H. Austen, M.A., and to his predecessor, the Rev. F. L. Perkins, M.A., for permission to publish this Register ; and also for granting facilities for making the transcript and correcting the proofs with the original Register.

Yorkshire Parish Register Society.

REPORT FOR 1910.

THE Council of the Yorkshire Parish Register Society have the pleasure to present their Twelfth Annual Report. The number of members on the roll at the end of the year is 202, a decrease of 4 compared with 1909.

During the year the third part of Howden was issued for 1908, and the Register of St. Martin, Coney Street, York, for 1909. The Registers of Halifax (Part I), Settrington, Austerfield, and Cowthorpe will be issued for 1910 at an early date. For 1911 the Registers of Thornhill (Part II), Holy Trinity, Goodramgate, York, and Thirsk are well advanced, and the former will be shortly sent out with Halifax (Part I). It is intended that the publications for 1912 shall be Halifax (Part II), Otley (Part II), and Danby.

The Registers of Aberford, Church Fenton, Crofton, Emley, Featherstone, Giggleswick, Hook, Hornby, Kirkby Ravensworth, Saxton, Sowerby, near Thirsk, &c., either have been or are being copied. Donations have been promised towards the printing of Aberford, Ackworth, Batley, Crayke, Dewsbury, Easingwold, Ecclesfield, Hushwaite, Kildwick, Keighley, Scarborough, Silkstone, and Snaith.

It is not generally known what an important part the Parish Register plays in elucidating the history of a family or estate, and the Society would gladly welcome any contributions towards the cost of printing the registers of the parish or village church where ancestors or predecessors and their dependents were christened, wedded, and buried.

The Council regret that the Society has lost the following members by death during the year:—Mr. William Chadwick, Mr. Arthur Greenwood, Dr. E. A. Hardwicke, Mr. Daniel Layborn, Mr. S. M. Milne, the latter of whom was an esteemed member of the Council.

The Council trust that each member will bear in mind the necessity of increasing the membership, and will recommend to the notice of their friends the good work of the Society, and the voluntary labour undertaken by several of its members.

RULES.

1 That the name of the Society shall be "THE YORKSHIRE PARISH REGISTER SOCIETY," and the Society shall have for its objects the transcribing and printing of the Parish Registers in the County of York, and such Bishops' Transcripts as may be accessible.

2 That the affairs of the Society shall be governed by a Council, consisting of a President, two Secretaries, and a Treasurer, with not exceeding twelve other members.

3 That the officers and one-third of the members of the Council shall retire annually, but shall be eligible for re-election.

4 That three members of the Council shall form a quorum.

5 That the subscription of members of the Society shall be One Guinea per annum, which shall entitle them to the publications for the year; but the name of any member whose subscription shall be two years in arrear shall thereupon be removed from the Society, and shall not be re-admitted until all arrears have been paid. New members may be elected by either the Council or the Society.

6 That the subscription shall be due on the First of January in each year, and that no work shall be issued to any member whose subscription is in arrear.

7 That an Annual Meeting of the Society shall be held in the month of February in each year, of which at least seven days' notice shall be sent to all the members. At this meeting a report of the work of the Society, with a statement of the income and expenditure, shall be presented. These shall be annually published, together with a List of Members and the Rules of the Society.

8 That so long as the funds of the Society permit, three volumes at least shall be issued to the members in each year.

9 That copies of the publications of the Society shall be supplied to members only.

10 That no payment shall be made to any person for editing any work for the Society, but that the Editor of each volume shall be entitled to ten copies of the work so edited by him, and the Incumbent to two copies for the use of the parish.

11 That the Council may require any Transcript to be examined by them before publication.

12 That each volume of Registers published shall have a full index of both Christian and Surnames and of Places.

13 That the Treasurer's accounts shall be audited by a member of the Society, who shall be elected at a meeting of the members.

14 That no alteration shall be made in any of the above rules except at the Annual Meeting. Notice of any proposed alteration must be sent to the Hon. Secretaries a month before such Annual Meeting, and by them communicated to the members.
