P R E F A C E .

The thanks of the Society are due to the VICAR (the REV. J. GRANT JAMES) for kindly allowing the Registers to be printed, and for the facilities he has most willingly afforded for transcription and examination.

The thanks of the Society are also due to DR. COLLINS and MR. T. M. FALLOW for most kindly comparing the transcript with the original Registers.

The Banns Book of Marske, commencing 1754, has been compared with the Marriage Registers. Entries relating to people whose Banns were called in Marske Church, but who were not married there, are given on pages 159—161.

Where the entry is illegible, or where there is no entry at all, the Editor has indicated it by [*blank*], and where any doubt as to the name exists, by a query.

The letters *lic.* indicate that a Marriage was solemnized by License: where this does not occur it was in all cases performed after the Publication of Banns.

The Registers have been kept in Latin down to the year 1685, and it has been thought advisable in indexing to substitute English Christian names for Latin, with the exception of Maria and Jacob, as the latter may stand for either Jacob or James.
