The Registers
of the
Parish Church of Blacktoft,

PREFACE.

It is to be regretted that the Blacktoft Church Registers have been so ill-cared for that only those from the year 1700 remain in the Parish.

There are probably many earlier Transcripts in the York Registry, one of which, for the year 1639, is herein printed.

The Parish was formerly a Chapelry attached to the Parish of Brantingham, and attended to at one period—as stated in Torre's MSS.—by a Stipendiary Priest. It is evident the Vicars of Brantingham sometimes failed to procure a Curate, and perhaps in consequence the Parish Clerk became the Registrar, and made most of the entries in the Registers. These entries are generally badly written and badly spelt.

The first book, 15 × 6 inches, consists of 30½ leaves, for the most part loose, in a paper case.

The second book, 13 × 7 inches, is bound in leather, and has 14½ parchment leaves.

The third book, 14½ × 12 inches, is bound in leather, has 17 leaves, and contains two Terriers, a list of Surplice fees, and an Abstract of Title Deeds.

The fourth book, 16 × 10 inches, has 14 loose paper leaves in a cardboard cover.

The thanks of the Society are due to the Vicar, the Rev. W. Turner, not only for permission to print the Registers, but also for his able assistance in deciphering the wretched writing.

Hon. Auditor.

Yorkshire Parish Register Society.

REPORT FOR 1900.

The Council of the Yorkshire Parish Register Society beg to present their Second Annual Report, and are glad to say that the Society continues in a prosperous condition. The number of members for the year was 261.

During the year the Registers of Horbury and Winestead were issued to subscribers for the year 1899, and the Registers of Linton-in-Craven (Vol. I.) to the subscribers for 1900. The latter will also shortly receive the Registers of Stokesley, Patrington, Blacktoft, and Scarborough.

For 1901 the first Volume of Bingley is ready for issue, Kippax Register is in an advanced state, and the second Volume of St. Michael-le-Belfrey is in progress. As these Volumes will be large it is not expected that a fourth Volume can be issued for 1901.

Members are advised to pay their subscriptions for 1901 promptly, so that no delay may take place in the delivery of any of the registers for that year.

The Register of Hampsthwaite will be issued for 1902, together with those of Wath-on-Dearne and Brantingham.

The Council regret that they have lost by death the valuable services of the Rev. Canon Maddock, who, at the time of his decease was editing the Patrington Register, which has been completed by the Rev. N. J. Miller.

RULES.

1. That the name of the Society shall be "The Yorkshire Parish Register Society," and the Society shall have for its objects the transcribing and printing of the Parish Registers in the County of York, and such Bishops' Transcripts as may be accessible.

2. That the affairs of the Society shall be governed by a Council, consisting of a President, two Secretaries and a Treasurer, with not exceeding twelve other members.

3. That the officers and one-third of the Members of the Council shall retire annually, but shall be eligible for re-election.

4. That three members of the Council shall form a quorum.

5. That the subscription of members of the Society shall be One Guinea per annum, which shall entitle them to the publications for the year ; but the name of any member whose subscription shall be two years in arrear shall thereupon be removed from the Society, and shall not be re-admitted until all arrears have been paid. New Members may be elected by either the Council or the Society.

6. That the subscription shall be due on the First of January in each year, and that no work shall be issued to any member whose subscription is in arrear.

7. That an Annual Meeting of the Society shall be held in the month of February in each year, of which at least seven days' notice shall be sent to all the members.
