P R E F A C E .

It is with much regret that the writer has seen the present Volume through the press on account of the death of William Brigg, B.A., who was his friend and correspondent for many years, and who died on the 7th December, 1921, aged 63. He transcribed the whole of the first Register Book of Mirfield, the first portion of which was printed under his supervision in 1919, and the remaining portion now.

William Brigg was an original member of the Society, a member of the Council, an enthusiastic genealogist and a most neat and accurate copyist. He presented to the Society in 1914 a Volume containing the Baptisms and Marriages at Harewood Church to 1812, and copied and edited for the Society the Registers of Otley, Snaith and Terrington. He abstracted the Wills in Register Wootton, 1658, a large portion of which is in print and the remainder might well be printed by a Society such as the Harleian.

For the Yorkshire Record Series he abstracted two Volumes of Stuart Fines, and for the Thoresby Society he copied Lay Subsidies and early Wills. In addition he printed Registers of Churches in London and adjoining counties, and edited the "Herts. Genealogist and Antiquary."

The printing of the Mirfield Register by the Society was proposed by the late Mr. Edward Theodore Ingham, B.A., the patron of the living and a considerable landowner in the parish, through the marriage in 1764 of his ancestor Joshua Ingham to the daughter and heiress of Richard Shepley of Overhall. Mr. Ingham expressed his intention to defray largely the cost of printing the Register, but his death on the 27th day of March, 1918, occurred before the first part was completed. His son, Mr. Joshua Lister Ingham, generously gave a substantial donation towards the expense of printing the first portion in order that the work might be proceeded with, and has kindly given a further donation towards this portion.

The printed copy has been carefully compared by the writer with the original Register, and very few corrections have been necessary. The index has been prepared by Miss Nancy Saywell.
