TITUS WILSON, PRINTER.

1917.

Preface

THE Parish of Barton is one of the largest in Westmorland, bounded, as it is, by parishes as far apart as Brougham and Grasmere and Dacre and Kendal. Its Parish Church, dedicated to S. Michael and All Angels, certainly existed in the early part of the thirteenth century.

1455667

The earliest existing Parish Register is the one here printed and constituting the greater part of the present volume. It consists of 90 leaves of parchment, including a blank leaf at beginning, measuring 13 inches by 7 inches, and the binding is of leather. It is in very fair preservation and, with the exception of the first page, easily legible.

The thanks of the Society are due to the Rev. Thomas Sharp, Vicar of Barton, for his courtesy in allowing facilities for transcription, and to our Member, Mr. C. W. Ruston Harrison, for his energy in obtaining additional information from the Bishops' Transcripts lodged at Carlisle.

N.B.—The Marriage entries made in the official Register (ordered by Lord Hardwicke's Act), dating from 1754, July 11, to 1758, June 15, will also be found, for the most part, in the earliest Register.

* There is an Asterisk attached to this entry in the original with the following relative foot-note. Note made Nov^r 23, 1825. "Thomas & Frances Lamb the lawful Father & Mother of the child above registered to which a reference is made by asterisks do declare that the child born at the period above mentioned viz. Sept^r 30 was not a son but a daughter and that she was bapitized by the name of Ann. The requisite alteration therefore to be made is from 'Thomas son of' to 'Ann daur of.' In witness whereof they hereunto affix their names
 Thomas Lamb
 Frances Lamb.

Signed by the parents in presence of me

Upon diligent enquiry from the Parents of the above "Joseph Bowman" the Mother's name should be "Jane" not "Mary" This I have ascertained from *personal enquiry*. As witness my hand this 17th Dec^r 1842, Th: Gibson, Vicar. The reason of the above remark has originated from a request for Joseph Bowman's Baptism rec^d the day above written.

INDEXES.

I.

CHRISTIAN NAMES AND SURNAMES.

C., pp. 1-67. B., pp. 68-112. M., pp. 113-144.

Where a name has variants the Head-name has been selected which now exists or which most closely resembles the modern equivalent. All variants are separately Indexed with cross references to the Head-name.

Where a Surname has an *alias* each form of the Surname is Indexed under its initial letter.

The Christian names are, with some few exceptions, Indexed under their modern form—the first spelling of the name having generally been continued in connection with the same Surname.

Illegitimate children are Indexed under the Surnames of both Mother and putative Father.

"N.X.N." signifies "No Christian Name."

An Asterisk following a page number signifies that that combination of Christian and Surname occurs more than once on the page number asterisked.

In the Index to the Marriages (W) signifies Witness.
