

Eatonton Public Schools Render Excellent Program

(Special Dispatch to The Journal.)

EATONTON, Ga., May 29.—Commencement exercises of the Eatonton public schools have occurred this week with unusual brilliancy and attractive programs in the opera house, located in the second story of the school building.

Large and enthusiastic audiences have attended each performance and many visitors are in the city.

Monday evening's program was rendered as follows, interspersed with musical selections: "Sunflower Chorus and Garden of Singing Flowers," presented by the primary department, under the supervision of Mrs. Annie W. Nisbet. The curtain in this play was most artistically arranged by Mrs. Nisbet.

"A Dream of the Fairies," an operetta, was presented by the third and fourth grades of Miss Mildred Shivers' department, introducing tuneful music and a very pretty maypole dance.

The pupils of the fifth and sixth grades, under the direction of Miss Fannie Lee Leverette, presented the chrysanthemum drill, a song and pantomime drill with beautiful scenic effect, each participant representing a chrysanthemum in crepe paper costumes and hats.

"The Fairy Grotto," an operetta, given by music department of Mrs. Maggie M.

Lambden, on Tuesday evening also scored a brilliant success. Mrs. Lambdin was fortunate in making such a happy selection and securing such a perfect rendition of this operetta.

This evening the graduating exercises occur with the following graduates:

John Adams, valedictorian; Lucy Nichols, salutatorian; Mamie Adams, class poetess; Lula Dennis, class prophecy; James Scott, historian; Stella Reid, Mamie Moore, Henry Paschal.

Colonel W. F. Jenkins, Jr., will deliver the diplomas in his usual graceful and easy manner.

Colonel Walter A. Harris, of Macon, Ga., a first honor graduate of the State university, and classmate of Superintendent Nisbet, will deliver the literary address on this occasion.

The following corps of teachers was unanimously re-elected: Superintendent, O. B. Nisbet; first assistant, Erwin C. Perry; second assistant, Miss Fannie Lee Leverette; third assistant, Miss Mildred Shivers; fourth assistant, Mrs. Annie W. Nisbet.

Colonel W. F. Jenkins, Jr., was elected a member of the board of trustees to succeed the late Dr. R. B. Nisbet, which is quite a compliment for Eatonton's youngest member of the bar.

The Eatonton schools have had a most successful year's work and secured the largest enrollment in its history.

YOU CANNOT CURE PILES.

By Internal Remedies.

The only sure way to cure every form of piles is to use a remedy like the Pyramid Pile Cure, which is applied directly to the parts affected, and its wonderful healing effects are apparent from the first application because the medicinal properties are rapidly absorbed by tissues and sensitive membranes of the rectum, and the cure is made speedily and almost before the patient is aware of it every trace of piles has left him.

This is one of the reasons why the Pyramid Pile Cure has been so uniformly successful. It is applied directly just where it is needed and where it will do the most good. Not by the roundabout way of the stomach nor the harsh barbarous methods of various surgical operations and so-called systems.

Direct application to the seat of disease is the only rational way, and this is fully accomplished by the Pyramid Pile Cure.

If the voluntary testimony of thousands who have tried this remedy is worth anything then no sufferer has any excuse for longer delaying in giving it a fair trial, knowing that when you do so the Pyramid Pile Cure will have made one more friend, the best possible advertisement we can have. The chief advantages of the remedy are: It cures without pain, the cure is lasting, it contains no poison, and, lastly, it is the cheapest and quickest cure yet found. She finally made the bird fly away, but in leaving the chimney it unloosened a brick, which fell with tremendous force on Mrs. Lloyd's head. She will probably die.
