Circular to Lucy Cobb Alumnae.

Mrs. M. A. Lipscomb, principal of Lucy Cobb Institute, issues the following circular of interest to the public in general, and of especial interest to the Lucy Cobb alumnae:

"As 1901 is the centennial of the University of Georgia, and will be celebrated by the gathering together of the alumni from all states in the union, it is proposed that the alumnae of the Lucy Cobb will meet at her commencement which precedes the university commencement one week.

"This will bring together in Athens, during the first two weeks in June, the most notable assembly of men and women who have ever convened in this city.

"Arrangements have been made with the various railroads running into Athens for one and one-third rates. Certificates showing that full fare has been paid coming to Athens, when signed by special agent where ticket was purchased, and endorsed by secretary of Alumnae association, will entitle passenger to rates offered. The hotels and boarding houses

have offered rates of \$1.50 per day.

"As there will be large crowds in Athens during these two weeks, it is suggested that board be engaged previous to the time of coming. Letters of inquiry may be sent to Miss Baseline Prince, secretary of the association, The Villa, Athens, Ga., who will take pleasure in furnishing names of hotels and boarding houses to those who propose attending this reunion.

"On Tuesday morning, June 11th, at 12 o'clock the alumnae will meet in the Seney-Stovall chapel. The program will consist of college songs, sung by the Schubert club of the Lucy Cobb, interspersed by short speeches and reminiscences by the alumnae. The day will close with a reception, in honor of the alumnae and graduating class given by Mrs. Lipscomb. Already a large number have expressed their determination to attend the reunion and it is hoped that they will come from every town and hamlet in the state. Let every pupil who has ever attended the Lucy Cobb consider herself a member of the Alumnae association."
