

MAY EXERCISES OF HIGH SCHOOL TO BE HELD SOON

ARRANGEMENTS FOR ANNUAL DE-
BATE HAVE BEEN COMPLET-
ED—GOOD WORK DONE
BY THE SCHOOLS.

Students of the Boys' High school have completed preparations for their annual May exercises. These exercises will be held June 2d in the auditorium of the Girls' High school and will consist of a special debate prepared for the occasion. In addition there will be declamations rendered by the best orators of the school.

Prof. W. M. Slaton, principal of the Boys' High school will act as master of ceremonies during the exercises. The debators chosen for the occasion from the senior class were appointed by Professor Slaton.

The debators for the occasion are as follows: Leaders, Dan Y. Sage and Robert Riley, assisted by Arnold Bryan, Clifford Steinhauer, Max Wilensky, Julian Thomas, W. F. Slaton, Jr., and Stephen Yeandle.

The declaimers are: First grade, Tate Wright; Second grade, George McCarty.

The public and all patrons of the school are cordially invited to be present on the occasion as the boys have labored hard to make it a successful event.

Professor Slaton has often presided over such meetings and is an excellent master of ceremonies. He is fully acquainted with all parliamentary laws, and maintains order with grace and ability.

The students are very fortunate in securing Professor Slaton to act as presiding officer.

Excellent work has been done by the school this year under the management of Professor Slaton, and the present senior class has been congratulated by the popular principal for its efficient work.
