

BRANTLEY INSTITUTE OF SENOIA, GA., CLOSES

(Special Dispatch to The Journal.)

SENOIA, Ga., June 13.—The commencement exercises of Brantley Institute closing June 9th, were of an unusually interesting nature. The sermon was delivered June 7th by Dr. B. D. Ragsdale, of Mercer. The charming personality of the man and his gentle sweet words delighted a large congregation.

On Monday evening "Katy in Goose-land" with songs, recitations and marches was most amusing. The careful training of the children reflected much credit upon their teachers, Miss Myrtice Sanders and Miss Etta Sneed.

The literary address by Mr. C. R. Thompson, of the Atlanta bar, on Tuesday morning was pronounced to be the best ever delivered before a Senola audience. For beauty of thought and eloquence it could not have been surpassed.

A Tennyson exercise with scenes from "The Princess" followed by a ludicrous farce, "Thirty Minutes for Refreshments," interspersed with delightful music closed one of the most successful years in the history of the Senola school.

The manual training exhibit and written work of the school, examination papers, drawings, wraps, etc., attracted much attention and was given instinted praise.

The entire faculty with Miss Ralford Sneed as principal received the highest words of commendation from Mr. G. D. Pollack, president of the board of trustees, and the announcement of their reelection is eminently pleasing to the entire community.
