

PROF. W. F. BROWN,
Who Has Been Elected Principal of Buford High School.

Vance and Dr. W. W. Power, held yesterday, Professor W. F. Brown, of Dudley, Ga., was unanimously elected principal for the ensuing year. Professor Brown is a young man of energy and ability, and will no doubt make the school at this place a splendid success.

He graduated at Mercer university last year and represented the winning society in the champion debate. He has been principal of Ebenezer High school at Dudley, Ga., since his graduation. Professor Brown married the daughter of the well known minister of Warrenton, Ga., Rev. B. H. Ivey.

Mrs. Austin Smith, of this city, was re-elected teacher of the primary department. Other members of the faculty will be supplied later.

The school enters this term with bright prospects for increased interest and attendance unsurpassed in its long history.
