MANY MEDALS ARE WON BY CORDELE STUDENTS

(Special Dispatch to The Journal.)

CORDELE, Ga., May 30.—The program rendered by the grade school children of the best ever heard here, as the class was also one of the most remarkable in several respects, particularly in that three of its members have captured as many state honors in three years. The literary address was delivered by Hon. J. S. Stewart. The delivery of U. D. C. medals, state and local, was by Miss L. M. Atkins, president of the local chapter. The address was delivered by Dr. H. B. Roberts, president of the school board.

The program was carried out without a hitch. The audience greeted each member of the class with hearty applause.

It was announced that Miss Lamar Ryals had captured the state medal offered

by the United Daughters of the Confederacy, as well as the one offered by the local chapter. On the subject, Miss Ryle's was the winner.

Miss Ryle was the third member of the class to take a state honor. Three years ago, Miss Mary Nelson, with but a few days' preparation, took the state medal in elocution in the contest at College Park. This year, Miss Fannie H. Hartley took a state honor by winning a fine piano offered at Macon for the best singer under 18 years of age. Cordele is also congratulating itself on the fact that two more medals were brought here by former students.

The opera house was beautifully decorated in honor of the occasion. The Plaza Roberts was dressed to the nines by two little pages, J. B. Ryals and Barburi Kelly. The music was under the direction of Mrs. J. G. Ryals. The orchestra, consisting of such as Mr. Ryals, Harrison and others, knows how to arrange. Instruments played rendered the members of the class was very enjoyable.

After the graduation closed, the following were present: Miss Frankie

and
 Let

Harrie	Miss Mary	Nelson	Miss Myrtle
Binger	Miss Sadie	Berg	Miss Ella
Ward	Miss Irene	Basemore	and Mr.
William	Elvina Jr.
