The Lucie King Thomas cup which is to be presented through the Little Theater guild was a present to the guild by Mrs. Irving's Trimms, a prominent clube worker in our city, to encourage the amateur dramatic clubs in their work, and especially to encourage the producing of one-act plays. The standards of this award are very much the same as the David Belasco cup; it is to be given annually to the best one-act plays presented by an amateur club, however, if the same organization wins this cup foir three successive years, it is theirs.

The judges will be Mrs. Emma Garrett Boyd, Miss Nan Stephens, Dr. W. F. Melton, Mr. Edward R. Austin and Mr. Willis A. Sutton.

These one-act plays will be given at the Atlanta Woman's club theuren on the evening of May 23, at 8 oclock. Tickets may be obtained from members of the above mentioned dramatic clubs and will be on sale at the box office at the theater on the evening of the plays.
