Emory Freshman Glee Club at WSB

THIS IS THE STAUNCH AND ABLE CONTINGENT OF EMORY UNIVERSITY STUDENTS, who comprise the freshman glee club of that institution. Their recent debut at WSB was a great success, and another program is already in preparation for the radio fans. On the club's first out-of-town engagement, which was Winder, Ga., it met with remarkable gratifying reception and more engagements abroad are being contemplated for the future. Miss Vera Sue Hampton, seated in the front row, is sponsor and pianist for the glee club. The director, George Baker, one of Atlanta's finest baritones, is seated on her left.
