Upon the proof here adduced, it is considered by the Court that the said paper writing and every part thereof is the last Will and Testament of the said Nathaniel Boyden deceased, and the same is ordered to be recorded and filed - which said last Will and Testament is in the words and figures following to wit:

Sheet No. 1.)

I, Nathaniel Boyden of the town of Salisbury do this 4 day of January 1873, make and publish this my last Will and Testament in the following words and figures on the three following sheets.

Item First. To my son John Augustus Boyden, I will devise and bequeath my brick hotel, with all the furniture therein and every thing connected therewith belonging to me, including the front and back lots. I also will and devise to my said son, the house and lot where he now resides, in the town of Salisbury. I also will and bequeath to him all the bonds, notes, together with all the monies, over my share, I have placed in the business of the partnership in the Foundry, together with all that may be collected of debts due the late firm of N. Boyden & Son. The above devises and bequests are upon the express condition that they are in full of any & all possible claims he may have against me, and upon the further condition that he pay to his son Nathaniel, my name sake, five hundred dollars, which sum is to be loaned out and permitted to accumulate until he is twenty-one years of age, and further the said devises are upon the further condition that he discharge all debts where we are jointly liable.

Item Second. I will devise and bequeath unto my son Archibald Henderson Boyden, in trust for my son Nathaniel A. Boyden, for his support and maintenance, during his life, the rents, profits, and income of all the following named property, to wit, my lands in Surry County where he now resides, as surveyed by John North, including all the several tracts, lands, composing my Surry (Surry) lands, and the house and all the furniture in said house and all the property I now own on said lands, at

said place of every description, together with the sold to Collier & Sane & the debts due me in Surry County & from Elizah Warden & said Collier & Sane - Said notes having been given for the lands they now occupy - Collier & Sane. I also will and devise and bequeath to my said son Archibald, upon the same trust, for my son Nathaniel & Boyden all my lands in Stokes County, being the lands in said County, which formerly belonged to Hugh Martin, Senior, lying on Snow Creek and upon the waters of Dan River & its tributaries & supposed to contain some sixteen hundred acres, together with all the property I may own on said lands at my death, also upon the same trust I will and devise all my lands in Alleghany and Ashe Counties, and it is my express will and direction, that my said son Archibald shall hold all said lands & property in trust for my said son Nathaniel & shall annually pay over to him the rents and profits of all said property during the life of my said son Nathaniel for his support, but should the rents and profits & incomes in any one year, exceed the sum of five hundred dollar. Then my said son Archibald, shall hold all such annual excess for my grand daughter, Columbia, daughter of my said son Nathaniel said sum to be paid over to her, on her marriage or arrival at full age, which ever first happens. It is further my will and I so direct, that at the death of my said son Nathaniel, all the said real estate and all the personal property that may be on hand, at the death of my said son Nathaniel, shall be equally divided between the children of my said son Nathaniel living at his death, but should my said son at his death leave no child or the issue of any child, living at his death, then I will all such real estate and the personal estate then on hand to my son John & Boyden, Archibald Henderson Boyden and my grand son, Willie Hale, son of my deceased daughter, Sarah, to

be equally divided between the three, share and share alike,

I also will to my son Nathaniel all that he now owes me, but all the above devises and bequests are upon the condition that they are to be encumbered with all such sums as I may hereafter have to pay for my said son, Should my said son resume his study of the law, and practice as a lawyer so as to need my law and political library now in my office at Salisbury, then I will and bequest to my said son my legal and political library, but this library is to be held in trust for my said son Nathaniel by my son Archibald, to enable him to make a support and maintenance.

I further will and direct, that in case, my said son Nathaniel shall own property sufficient to discharge all the debts he may then owe, then it is my will and desire, that in that event all the above property devised and bequeathed in trust to my said son Archibald shall at my decease vest absolutely in my son Nathaniel with the full right in his life time to dispose of all or any part thereof, upon reflection I have obliterated the above provision and leave the said property as provided without the clause above obliterated.

Item 3. To my son Archibald Henderson Boyden, I will and devise and bequeath the following real estate, to wit; all my lands lying on Grants Creek in Rowan County, my town lots adjoining Miss Brissa Beards, my office in the brick row, near the Court House, my lot in front of the Methodist Church & in front of the new brick house of Samuel H. Wiley and also my lime kiln tract of land in Yashkin County to him and his heirs forever.

I also will and bequeath to my said son Archibald and to my step son Lewis Mitchell after the death of their mother the lots and buildings on the three lots where we now reside, that is my half of said lots equally to my said son and stepson.

I also will to my said son Archibald all the property that I may own on

my Grants creek tract of land together with all the rents that may be due me from those cultivating said lands at my death.

To my wife Jane Caroline I will and bequeath all the household and kitchen furniture together with all the Corn, wheat, fatted meat and all provisions on hand at my death and all the property on said place at my death, I also will to my said wife Jane all the growing crop on her plantation & all that may be due me for rent from any of the tenants on the said plantation, at my death.

Item 5. To my dear wife Jane and to my son Archibald I will all my monies on hand at my death, all the debts due me, except the debt due me from the Bank of Cape Fear, all of my Rail Road stock, and all my books in the library and house except my law and political books, which I have conditionally willed to my son Archibald in trust for my son Nathaniel, together with all my other property of every kind and description, real and personal, out of which they are to discharge any debts I may owe & am legally liable to pay, besides those I have directed to be paid out of the property willed to my two sons John A & N. A. should there be any such debts. And — my said son Archibald must pay to my grandson Willie Hale, three thousand dollars, upon his arrival at the age of twenty one year, without interest.

Item 6. To my grand son Willie Hale, I will the three thousand dollars directed to be paid by my son Archibald and also will said Willie all the debts that are due me from his father's estate & likewise all the monies I have advanced to pay the interest due Mrs Lester, on the mortgage she holds on the house and lot where my daughter & my son-in-law lived and died, in Saunderdiqua in the state of New York. And I hereby nominate and appoint

my son Archibald and my dear wife Jane, executors of this my last will and testament, hereby revoking all previous wills.

In testimony whereof I have hereunto signed my name this 14 day of January A.D. 1873.
