I R.W. Pulliam having reached, within a few days, the anniversary of my seventy seventh birth day, which will occur on the 27th day of this month and being admonished by increasing infirmities, that my life must soon terminate I proceed now to execute this my last will and testament which I do in behalf of my beloved children, and for the administration of the same, I hereby appoint my son Charles H. Pulliam my executor and request and hereby direct that he shall not be required to give bond with security as I have the most implicit confidence in his integrity and responsibility.

It is known, that many years ago, I executed a deed which was duly recorded in the Registers books for the County of Buncombe to that portion of Real estate in the town of Asheville on which is my dwelling house the store now occupied by W. T. Weaver and the store now occupied by C.H. De Vault and Laurence Pulliam also the lot around my old wood stable east of the public square whereby the said property should become the property of my children in equal portions, share and share alike after I shall have passed away. I have no disposition now to revoke or change that instrument and I hereby request and instruct my said Executor to facilitate and consummate the provisions of that instrument in a manner most agreeable to a majority of my legatees with the least practicable delay and avoid all social friction or unfriendly feeling.

The Building occupied by C.H. De Vault who is the husband of my daughter Laura, and Laurence Pulliam as a Drug Store was intended a few years ago for the purpose and in the creation provision was made that the upper story of said building be used for offices.

C. H. De Vault who is the husband of my daughter Ella advanced towards its creation the sum of two thousand (2000) dollars, with an understanding and agreement that he have the use of the upper story for his own and other offices in lieu of interest on the said two thousand dollars whilst the said C.H. De Vault and Laurence Pulliam shall use the ground floor room and basement for Drug Store drug store purposes, they having agreed to keep said building insured for two thousand dollars and pay taxes for same amount which has been done and having been done

is regarded as full consideration and no additional rent
is intended ever to be charged. It is intended by me that
the outlay of the said C M McLoud of the said Two thousand
dollars shall be repaid to him and to me and it may be
certainly done I have executed a Deed of Trust or
Mortgage upon other property, viz the Brick building
on the South East corner of the public square on land
I acquired subsequent to the date of the first named
instrument herein the building originally designed
for a Carriage Factory and also upon a lot and
house on south end of Bailey Street occupied by
Mr Boardman whose house and lot I purchased of
Rev Joseph Miller

I desire and hereby instruct my said Executor as
soon he can or with the least practicable delay after my
death to sell the said Brick building and house and
lot and all other property both real and personal, collect
all money that may be due me and from the proceeds of
such sales and collection pay the said C M McLoud
the said sum of Two thousand dollars and see
other legal demands against my estate.

I have two notes signed by C H D'Vault and
Laurence Pulliam amounting in the aggregate
with interest estimated to the 1st day of March 1885
to thirteen hundred sixty three dollars and twenty five
cents the same being for money advanced to them
for use in their Drug business which notes I voluntarily
do surrender to them for a consideration named in a
separate article of agreement and I hereby instruct
that no charge additional shall be made against
them in the settlement of my estate. It is furthermore more

to use of my funds remaining in hands after payment
the said C M McLoud the said Two thousand dollars
and all other legal demands against my estate for
his own account the sum one thousand dollars which
is intended to aid him in adding another story to his
dwelling house. It is intended and I hereby instruct
that the said thousand dollars be not charged to him
but shall be regarded by him as full compensation for
his services in the settlement of my estate as executor
of this my last will and testament.

After the foregoing premises and stipulations are fully completed
with I desire and hereby instruct that the residue be equally
divided among all my children share and share alike
and now commanding my soul to God through Jesus Christ
I bid adieu to earthly things and trust to meet my loved
ones on the dawn of the eternal morning in the bright
