

Education it is my particular desire that a Teacher well qualified be employed by Executors at such salary as they may think proper to teach the children of all persons who have patronized me as a teacher two years - and that the said school be kept in operation until the whole of my Estate is expended after the payment of my debts; I leave it entirely at the discretion of my Executors to choose the right and locate the School House. I signify as a reason for bequeathing my estate to the purposes of Education rather than to my only surviving brother, that he having had a considerable estate which has not neither can it benefit him farther than a decent support, for which purpose he dispenses of it, any bequest from me would neither add to his comforts nor, nor benefit any blood relation of his nor mine -

Reposing special confidence in my worthy friends Robert Marsh Aaron Wharden John Harris and Dehu Peoples I do hereby appoint them Executors to this my last will and Testament Testimony whereof I have thereto set my hand and affixed my seal the day and date above written
